UPMINSTER & CRANHAM RESIDENTS' ASSOCIATION

Fair Funding for Council Budgets?

The financial challenges faced by the Council is not just about making difficult decisions with reduced resources, but doing so when the funding formula is so inherently unfair. Take for example a house in Westminster worth £2.7m, the household would pay £755 per year in Council Tax and would receive government funding of £248 per head of population. Contrast that with a house in Havering worth £270,000, which would pay £1,062 in Council Tax but receive only £85 per head in government funding! In addition, by 2019 Havering will see its government grant reduce by 96% compared with a 59% cut in Westminster. Challenging this warped way of funding is an ongoing battle, but our focus is always to place the interests of our residents' first and foremost and to provide the best services we can within the resources available. More budget updates from me over the coming months.

Cllr CLARENCE BARRETT

Parking Update

Further to our articles in the *Bulletin* on the introduction of additional parking measures in Upminster Ward, i.e. south of Upminster station, and following the 'informal consultations' during the summer, which had a huge response, the Highways Advisory Committee in November agreed to conduct the formal consultation exercise on the proposals. These include extending parking controls to the remaining tree roads and South View Drive which are currently not controlled. The exception to this is Cedar Ave, which is the subject of consideration for a Public Space Protection Order given Branfil School is located there. In Stewart Ave the Council are proposing introducing double yellow lines on the south side of the road with the single yellow line remaining on the north side. In the roads north of St. Mary's Lane and south of Upminster Station, i.e. Highview Gardens to part of Howard Road which includes Champion Road, Cranborne Gardens, Gaynes Road, Branfill Road, St. Lawrence Road, Garbutt Road and Aylett Road, the majority of residents were in favour of the introduction of Residents/visitors parking permits. All residents in these roads will receive a letter from the council soon and given the Christmas break the consultation period will be four weeks instead of three, and this will constitute the formal consultation on the proposals. It is important that you respond to give the council your views. We will keep you advised as usual on this.

Cllrs LINDA HAWTHORN, RON OWER, LINDA VAN DEN HENDE

Happy Christmas

Our best wishes to you this holiday season and a big thank you as always to all our *Bulletin* deliverers and subscription collectors. I would also like to welcome new members who have joined the Residents Association this year - we

appreciate your support and this enables us to serve our community. For example, the Association has been able to assist a number of local organisations/charities this year with financial donations and we are committed to doing this in future years.

Throughout 2016, your councillors have been taking an active role in the local community as well as dealing with Havering Council matters. You will see from Councillor Clarence Barrett's article on the council budget, with government funds rapidly diminishing, there are a number of very difficult decisions to be made in the future. We are therefore very lucky to have our 'Residents Councillors' who are free to work on your behalf, and who are not tied to national political party agendas. I would like to assure you all, without any doubt, they will continue to fight on your behalf next year and beyond. Have a great Christmas and a Happy New Year.

Speeding Update

The police have conducted another speed check in Corbets Tey Road where 176 cars were checked. 16 cars were stopped and warned for excessive speed. Again it is disappointing to note that many were local drivers who are often the ones complaining about speeding on Upminster Roads. Several complaints about speed in Deyncourt Gardens have been received and this road has been added to the police's list for areas to be checked. Checks will continue as police resources permit.

Keep Christmas Local

Christmas shopping can get busy especially a few days before

Christmas so why not shop around Upminster instead of going up to Romford or Lakeside. Locally can be a great place to shop and this year has seen new shops open. We have Roomes selling Christmas decorations, clothes and things for home that can all make great little Christmas presents, you can also go and visit Santa's grotto there as well. If you are lucky you might catch him having his lunch. We have plenty of restaurants, bars and cafes to celebrate before or to have Christmas dinner with your family. Supermarkets can also get very busy around Christmas time with people trying to find the perfect Christmas dinner, so why not get your ingredients from local supermarkets or try the butchers Johnson & Son or Miles in Avon Road. There are also many smaller shops around locally that can make your Christmas feel special like Fleur Gifts shop that can have a perfect Christmas present for someone you care for.

Christmas Message

Many of my friends are surprised when I say "I actually don't like Christmas", I never have even as a little girl. As I got older just trying to figure out what I should buy for friends and family caused me huge stress. Now as a priest I look around and realise it's not only me, many of us, if honest struggle! And I'm in awe of those who write cards, decorate the house and purchase perfect gifts for everyone. I wonder how often we remember in all this excitement, the real reason we are celebrating Christmas? Christmas is about the baby Jesus born to a young girl. The perfect gift, and that

Chestnut Trees

A few
readers have
drawn to my
attention
that several
Horse
Chestnut
trees appear
to be
diseased,
because
their leaves

are turning brown earlier than
should be - this is caused by leaf
minor - a grub which buries into
the leaves, then lives at the base
of the tree throughout winter and
re-infects it the following spring.
Although this does not kill the
tree itself, it does weaken the tree,
thus making it prone to other
diseases - the best action to take
is to remove all the leaves as they
fall, so the tree is then not re-
infected

'Design a Christmas Card' Competition at Corbets Tey School

Pinney Talfourd teamed up with local special needs school Corbets Tey School for their 'Design a Christmas Card 2016' Competition this month. Brandon Riches, aged 13 won first prize with a cute design of Rudolph complete with baubles

for earrings. It will now be used for Pinney Talfourd's Christmas card and Brandon will receive a toy of his choice at a special school assembly. *The Bulletin* were also delighted to offer a prize to the runner up Zack Cassidy, aged 10 for his cheerful snowman.

Client Services Partner, Catherine Polli, said "Thank you to everyone at the school for your time and effort. The children's designs are always brilliant and this year did not disappoint. We are also delighted that *The Bulletin* has donated a prize again this year as there are always so many great entries it is hard to choose just one winner." Pinney Talfourd will also give a donation to the school for their help in organising this annual event.

c2c Update

Following numerous concerns raised by rail users, 24 new carriages will be delivered to c2c's East Ham Depot

where they will be tested before being pressed into service. Longer trains between Thurrock and London will be introduced, with at least three trains doubled in length to eight carriages at peak times. The 24 British-built carriages, which have been constructed by Bombardier at their factory in Derby, were ordered by c2c in April. More seating capacity will be introduced before Christmas, with the final phase of improvements set to coincide with a new peak-time timetable as from Monday 9th January 2017.

Regular reports of collisions between vehicles on this narrow bridge keep coming in and we are still trying to find a suitable solution, so far the railway company will not extend the bridge nor remove the narrow, and I think dangerous, footpath. We have had proposals for one-way traffic controlled by lights and speed humps to slow traffic none of which seemed to please everyone. Let us have your views so we can seek another solution.

The Festival opens on Saturday 3rd December at 10am and there will be refreshments available all day. In the church halls there will be a Christmas Market with craft and charity stalls selling cards, gifts, cakes and other festive goods. Entrance is free: donations to our chosen charities.

Gaynes School Prize-giving

As Deputy Mayor I presented the prizes at Gaynes School for last year's Year 11 students. It was pleasing to see so many students receiving awards for achievement, progress and effort. 99% of all leavers had either gone on to further education, apprenticeships or employment, which is a very credible result. It was also good to be entertained by some accomplished musicians. Well done to the Head teacher, the Governors and all staff.

Christmas at the Queen's Theatre

Pinney Talfourd has once again teamed up with Queens Theatre Hornchurch to host 'Christmas at the Queens' on Tuesday 6 December (11am - 1pm). We are delighted that the Dawn Chorus have once again agreed to join us in singing a range of upbeat Christmas songs including "Let it Snow" and "Jingle Bells". There will be a raffle in aid of the Queens Theatre charitable trust and Pinney Talfourd's own charity of the year, Motor Neurone Disease Association (South Essex branch).

Finally, after all the excitement

you are welcome to stay for a coffee and cakes courtesy of Pinney Talfourd.

This event has attracted a full house every year so call the Queens Theatre Box Office on 01708 443333 to reserve your space early or visit www.pinneytalfourd.co.uk for more details. P.S. Christmas jumpers and Santa hats are welcome.

This is Havering

The Council has produced fantastic statistics on the "demographic and socio-economic profile of Havering" i.e. giving population profile, household profile and economic profile. I have left a copy of this at Upminster Library for your perusal. It is well worth a read. If you cannot get to the library, please contact me on 07721 780 372 and I will get a copy to you.

Dog Fouling Penalties

Dog fouling continues to be a problem that not only leaves a nasty mess but can be a danger to health. While most dog owners are very responsible and do pick up after their pets, there are some who choose to ignore the rules -

including those who do use a bag, but then throw it into a bush to hang like a Christmas tree decoration! If dog owners are caught 'in the act', so to speak, they will be issued with an £80 penalty charge notice. Residents can now report offences by visiting the dedicated page at havering.org.uk or by calling 01708 432563 (office hours). Please try to

Macmillan Coffee Morning

T. Cribb & Sons had a very successful coffee morning in aid of Macmillan. In fact, it was an ALL DAY event as people were arriving constantly from 9.30am - 4.00pm!! We were overwhelmed by the offers of cakes and cookies and even raffle prizes that we received in the days running up to the event. The people of Cranham were so generous and we even had one lady come back to help me wash up and tidy the office which was most appreciated! - A staggering £343.10 was raised and is being banked by my 88-year-old mother! We deal with many families in our work who without the help from Macmillan would probably not get through such a distressing time. It is, therefore, a charity close to our hearts! If you need any more information, please do not hesitate to contact me.
