UPMINSTER & CRANHAM RESIDENTS' ASSOCIATION

Big Budget Challenge for Havering

Despite limited expectations, the recent funding announcement by central government brought no respite for council budgets. As previously reported, on top of a £40million savings programme from 2010-2014, a further £60million of savings is necessary for the next four years.

The reduced funding means that our council, as well as every other council, will have to reconsider, re-evaluate and reconfigure the way services are structured, commissioned and delivered to our residents.

While it is easy for some to criticise decisions around budget cuts, it is much more difficult to grasp the nettle and try to come up with a plan that will keep us within

budget, keep front line services going while carrying out duties which we are legally obliged to in terms of social care and waste. This means that the gap to find the necessary savings is hugely reduced with non-mandatory services taking up a greater proportion of the cuts.

Since 2010, local council funding from central government has been cut by around 40%. Sadly, there is no magic dust that will allow the council to make £60million of savings over the next four years without anyone noticing. Against this backdrop of reduced funding and increased demand from a growing population base, it means taking tough decisions at tough times, but decisions which will have to be made.

Coming up with a budget plan that reflects the aspirations of the community, takes on board feedback from the consultation process and stays within budget is a big challenge for us all. For example, keeping street lights on all night, weekly rubbish collections, school crossing patrols, support for disabled people, CCTV on estates and Town Centres and child protection budgets are priorities, among many others, which need funding from a limited pot to operate.

We shall do our very best to make sure the savings programme is as reasonable and prudent as possible.

Cllr CLARENCE BARRETT

We Are Festival

The License for the Festival for the 30th and the 31st May 2015 was granted on 17 December, although there were significant changes agreed before the hearing which has meant that the License is only for one year as opposed to the

five originally requested and all licensable activities have to finish by 12.30am on both days rather than 2am as originally requested. The increase in numbers to 24,999 was agreed but that figures also includes all staff and performers at the Festival. I had objected to the five year and 2am finish as had the police and this was a reason why there were changes before the hearing itself. I remain concerned about the increase in numbers. The organisers have agreed to make a number of changes to the layout and direction of the stages and will reduce them to one outside and four inside. This should reduce the noise nuisance which was a main concern for residents last year. In addition there will be changes to the traffic management arrangements and a commitment from the organisers for earlier notification of routes which will be made available to me so they can be published in the *Bulletin* allowing residents to avoid the area if they choose. We will have to see what effect the increase in numbers have, although at the hearing the organisers accepted there could be an increase in crime given the larger number of people.

Bulletin Distributer Needed!

Delivery of the *Bulletin* each month relies on an army of volunteers to whom we are extremely grateful. At the moment, we urgently need a volunteer to deliver a small number of boxes from a central location in Cranham to various addresses nearby, where they can then be sub-divided into smaller bundles for our volunteers to deliver. If you can help with this very important role, please call 07863 116029 or 01708 641317.

Train Depot Car Park

Councillor Barrett and myself have been discussing with officers ways to improve the train depot car park in Front Lane, which has deteriorated over time. We are currently waiting to hear if the car park can be resurfaced as a whole

or if it needs to be a phased programme due to costs. Once the resurfacing has

taken place the painting of the railings and bollards can then be undertaken in the spring. Hopefully by the time you read this, one or two rubbish bins will have been located by the recycling centre; improving the cleanliness of the area. The recycling centre is for domestic use and not for businesses. Remember you can always recycle boxes at home and some stores recycle plastic bags.

Cllr GILLIAN FORD

Fly tipping

This has become an increasing problem in our area and there

have been a number of significant illegal dumps of rubbish. One recent one was on the extension to Bonnetts Wood at the Gerpins Lane entrance which cost the Forestry Commission £6,000 to clear away. Parklands has also been a victim of this crime. Fly tipping is a crime which can be punished by a heavy fine and in some cases a prison sentence. Given we have large areas of open and farm land I would urge everyone to be vigilant and report anything suspicious, this could include taking down the make and registration number of any vehicles suspected of dumping. The council do prosecute cases where a person can be identified and have had some recent court success. Report anything suspicious either to the police on 01708 432 563. This is not a victimless crime as we pay for the clear up in our council tax.

Annual General Meeting

The Upminster and Cranham Residents' Association Annual General Meeting takes place on Tuesday 17th February at 7.30pm at the St. Josephs Hall, St. Mary's Lane.

68 Station Road, Upminster

As the January *Bulletins* were being delivered, we were advised of the following Planning

Application by the Council:
"Reference P 1669.14. Proposal for redevelopment of the site to create rear three storey extension to accommodate 9 self contained flats." The property is next to the Yeoman Pub. Local Historian and Author of a number of local history books Tony Benton gave us the following facts on the building.
"This shop/off licence was built in 1908 (plans received by Council 22 June 1908) as part of a parade of four along with butchers (62 - plans 17 June 1907), chemists (64 - 30 Sept 1907) & bakers (66 - 6 March 1908) - all remain in the same trade except the butchers (now the card shop). The developer for all four was George Verlyck, who was Griggs' architect, but these four applications seem to have been done on behalf of the individual owners, in this case Taylor Walker."
None of the buildings in Station Road or anywhere else built in the garden suburb from 1906 onwards are listed "
It appears that this application does not change the frontage.

All three of your Upminster Residents' Councillors have called this in so it will have to be discussed by the full planning committee.
We will advise you of the outcome.

They had performed at Lakeside Shopping Centre with the final concert being at Engayne School. We would like to thank the Staff and pupils for their uplifting singing and for supporting community spirit.

Festive Cheer

Festive Cheer was provided at the Cranham Social Centre at the Friday Morning group. Engayne Primary school entertained residents with carols, festive songs and humorous word changes to Rudolph the Red-nosed Reindeer. Father Christmas paid a visit and gave each pupil a gift. This was just one of four community performances the school provided at Christmas.

Cranham, were delighted to
present a very special award to a
very special pupil in the last
week of term.

Daragh Thomas, 11, was
presented with the Good Citizen
Award. This prestigious award is
given each term to a pupil who is
recognised as having the
attributes of a Good Citizen.

Amongst those are; someone
who is helpful and friendly, with
good attendance, smart uniform
and good behaviour. In short
someone who sets a good
example to others.

Pupils are nominated by staff at
the school and the Headteacher,
Ms Deborah Rowles, chooses the
overall winner. Ms Rowles said,
"We are proud of all our children
but this award allows us to show
particular pride in a child who
measures up to a stringent set of
criteria. Daragh and his family
should feel very proud."
A well deserved winner of this
term's Citizenship Award.

Council's Economic
Development, will be the speaker
at Upminster ward meeting on
the 4th of February at St Josephs,
St. Mary's Lane. He will be
talking about steps the Council is
taking to ensure our High Street
is a viable shopping experience.
This will include how Upminster
compares with other Town
Centres in Havering.

A127 Ardleigh Green Bridge Replacement Works

Local residents joined forces with Harold Wood ward Councillors Darren Wise and Brian Eagling to negotiate with Transport for London (TfL) representatives to install temporary safety barriers along the A127 after the permanent railings were taken out to accommodate access to the works compound which is situated close to the junction with Squirrels Heath Road. There were

concerns around the safety of children and elderly people that use this pathway as cars were mounting the pavement via a dropped kerb and driving along the pavement. We are pleased and grateful that we were successful in these negotiations as safety of pedestrians are paramount whilst these works are carried out.

Waking your tortoise from hibernation

With spring just around the corner, for those of us with Mediterranean Tortoises tucked away in hibernation this can be a tricky time of the year. Warm spells can lead to tortoises waking early only to then be subjected to freezing temperatures days later. It is best to check your tortoises regularly from February onwards and any that are showing signs of waking such as moving about or urinating should be taken out of hibernation and kept warm. It is important not to just put them outside at this time of year but keep them under a heat lamp until the weather warms up. If we have a long cold spring it may be necessary to wake tortoises rather than let them continue in a long hibernation which will leave them weak and prone to disease when they do finally become active. Recycling Centre

It was disappointing to see the rubbish that had been left at the Front Lane recycling centre over the Christmas period. The bottle banks were not full, yet bottles had been left on the floor along with cardboard boxes and household rubbish. Cardboard can be recycled at Gerpins Lane and small quantities in the orange

sacks. There also appears to be some confusion over the recycling container for cartons. This is for tetra cartons, which are used for drinks such as milk and juices and not for cardboard boxes.

Friends of Upminster Mini-Golf Course

The next meeting of the 'Friends of Upminster Mini-Golf Course' will be held on 5th March (7:30pm) at the St Joseph's Social Centre, St Mary's Lane. The aim of the group is to secure the future of the mini-golf course as a community asset while protecting it as a green and open space. We have had two excellent meetings so far and anyone interested is very welcome to come along on the 5th. For further details please contact me at cllrclarencebarrett@yahoo.co.uk or call 07863 116029.

Iceland Money Returned

Readers may recall the £12.5 million deposited in Icelandic Banks by Havering Council back in 2008 when the banks collapsed owing local councils and public bodies across the country some £1.05 billion. After years of court cases and appeals, we are pleased to note that the whole £12.5

million has been returned to the Council.

HOPE

Are you struggling with everyday life after your loss? Grief is an ordinary and natural part of life - sadly, an unavoidable experience for all of us. But when grief strikes we so often find ourselves unprepared. We are suddenly cast into a roller-coaster ride of emotions and feelings and we can very soon feel lost and alone. We wonder if we are normal, we may wonder if we are going mad! The world seems to expect us to "get over" our loss within a few weeks of the funeral and time passes and we find ourselves wrestling with the same unanswered questions. Joining a group of like-minded people, such as a HOPE Bereavement Support Course developed by West and Coe may help you. The course allows you to talk things over in a friendly,

Local historian and author of a number of very interesting books on local history, Tony Benton, has set up an "Old Upminster website" on

<http://upminsterhistoryblog.wordpress.com/> It is well worth a visit.

Havering Set for Spitting in Public Ban

Another campaign success for the Residents' Association is that a ban on spitting in a public place

looks set to become a bye-law in Havering. I first raised this at full Council in March 2012, then June 2013 and again in 2014 and am pleased that Havering, along with other London councils, are set to adopt these powers.

Spitting in public is a foul habit which should be discouraged. Until 1990 it was actually a criminal offence to spit in public and carried a fine of £5. Since that law was removed from the statute book no new law has been introduced until now. The provisional penalty would be a £80 fixed penalty, however it is recognised that there needs to be a degree of 'reasonableness' about any such enforcement.

Support needed for local Scout Group

Looking for a new adventure? Then look no further...

Your local Scout Group needs

you! Would you like to do something fun, and rewarding in your local community? Could you work with young people and help to deliver a variety of activities?

Then contact us now! We are currently looking for volunteers over the age of 18, who have an interest in planning and delivering different activities to young people aged between 6-14 years.

Working with young people can be incredibly rewarding, seeing them achieve and make new friends can stay with you for life. Meeting like-minded people and enjoying activities are all part of a volunteer's experience with the Scout Association. No specific skills/qualifications required - full training and support will be provided. Some experience of working with children/young people may be useful but not essential.

For more information on how you can get involved, please contact Lucy Whybrow on 07432 562 378 or lucy.whybrow@scouts.org.uk

Congratulations Ken Rhodes

Local double glazing, conservatory and orangery specialist The Ken Rhodes Window and Conservatory Company have been recognised for their fantastic customer service by becoming one of the only companies in their industry in Essex to become a Which? Trusted Trader.

The scheme takes the best trades people and rigorously tests them before any endorsement. The assessment includes a site visit,

questionnaire and, very importantly, randomly selected customer feedback, to make the assessment as tough and as genuine as possible. Mr Ken Rhodes, Managing Director of the company said: "It was an extremely stringent process with painstaking criteria - many companies don't meet the standards required. However we felt our customers would feel even more confident in our services and standards if we went the extra mile to get this accreditation with such a trusted brand as Which?" Services offered by the company include double glazing and bespoke conservatory and orangery designs and installations. Which? is an organisation with over 50 years' experience in campaigning on consumer issues. It reviews products and offers independent advice on a wealth of subjects.

RIEES Autism Club

In the picture is Councillor Darren Wise with Frances Bardsley Autism Ambassadors, FBA teacher Ivan Corea and RIEES founder Ade Ogunleye with young people with autism at the RIEES Autism Club in Romford.

Councillor Darren Wise, chair of Havering Council's Learning Disability and Support Topic group visited the RIEES Autism Club that meets each Saturday in the Youth Lounge of Romford Baptist Church in Main Road - the RIEES Charity works with young people with autism, 18-25

year olds in the local community teaching them key skills from dance to art.

Councillor Darren Wise said: "I was very impressed to see the RIEES Autism Club in action and saw for myself the activities taking place. The young people with autism were preparing wonderful artwork for the Havering Autism Sunday Service scheduled to be held at St Alban's Church in King's Road in Romford on Sunday 8th February at 3 pm. I am looking forward to seeing the Art Exhibition and the Pilgrimage Painting which will be on show after the Havering Autism Sunday Service in St Alban's Hall."

Planning Applications

Several years ago planning laws were relaxed for building extensions etc. ie loft extensions etc do not always need planning permission.

Each week Councillors receive lists of Planning Applications

where a number of these are dealt with directly by Council Officers.

Developments of more than one dwelling are referred to the Councils Planning Committee. Also Councillors who have concerns can "call an application in" so it has to be discussed at a planning meeting. Any questions please get in touch.

Cllr RON OWER

South East England Band Contest

Who and what are we? We are members of an association for Traditional Style Youth bands throughout the country. In 1990 we the committee were asked by local bands in the association if we would run a Band Contest for the local and the other bands in the association. The committee at the time were parents of children who were in the local bands and

the majority of us are still involved in the running of the contest today supplemented by members we have recruited throughout the years. The contest is held in June or July at a local school (Gaynes in Upminster at present) the cost of the school is a large part of the cost of running the contest, along with the cost of the judges for the contest, we need seven of these and are proud to use serving and past members of the Royal Marines Band Service, this is another large cost for us. These and other costs amount to just under £1,500 per year. We are totally self-funding and raise the money by doing Quiz Nights, Bingo nights and the occasional Barn Dance , how much we raise depends on how many people we can get to attend these nights. Any local businesses who would like to help us finance the running of the contest are welcome to contact us. Any help would be very much appreciated.

Geoff Lewis RIP

It is with great sadness that I have to inform readers of the death of Geoff Lewis. Born in Stepney, Geoff and his family moved to Upminster over 50 years ago, and Geoff immediately got involved with local affairs and joined the Residents' Association.

Computer MOT

He had a variety of roles with the Residents' Association, and it was when he was the secretary that he led the protest against the proposal to demolish the Clockhouse - he won! Geoff always considered this to be his greatest achievement.

Geoff was also one of our Councillors, firstly elected after a by-election in 1981, and served till 1986, and again from 1994 to 2002.

Joan his wife joined him on the Council in 1998. Geoff was a straight-forward man, with lots of common sense, and one whose advice you could always rely on. He was very interested in local history and heritage, a writer of a number of books on local history and his own family tree - another of his hobbies.

Our thoughts are very much with his wife, two daughters and two grand-children. He and Joan celebrated their 60th wedding anniversary in late November last year - theirs was a truly happy

marriage and he will be greatly missed.

Cranham Tree Pruning - Power Cables

Over February, tree pruning works will be undertaken in Moor Lane, Queen's Gardens, Fairholme Gardens and Cranham Gardens. However, in parts of

these roads where overhead power cables are present, there may be short periods of power shutdowns to allow the operatives to work in safety. We have made sure that affected households are given sufficient notice of any proposed shut-downs to minimise any inconvenience.

Licensing Committee

The granting of licences is an important responsibility which the council has to exercise. The Licensing committee has eleven Members, all who have to receive training, given the function of the committee is quasi-judicial. Licences are required for many

activities, including the sale of alcohol, music and dance, late night refreshments as well as scrap metal and gambling and many more. Much of this is routine and carried out by officers, however where valid objections are received from responsible authorities such as the police or trading standards or members of the public or councillors, a Member sub-committee hearing is required. This consists of the Chairman and two other members of the licensing committee. As Chairman I sit on all sub-committees except where the licence is for Upminster, as ward councillor I am precluded given the potential for conflict of interest. Over the past five years, the average number of sub-committee hearings per year has been 33. In granting a licence the sub-committee can set a range of conditions which are enforceable, they can also review a licence and can revoke it if there have been breaches in the conditions. Any decision of the sub-committee can be challenged in the Magistrates Court. In addition there are normally two or three

full Licensing committees a year. These concentrate on strategy and policy issues as well as new legislation as licensing is an ever changing area. I was appointed as Chairman by full Council in June, which I regard as a huge privilege. Having been a JP for a number of years and having served on the Licensing committee since my election in 2006 it is a role I can contribute positively to. A Special Responsibility Allowance is payable for the role and in common with many others this was reduced from £20,430 to £14,418 in October as part of the reduction to Councillors allowances.

Cllr LINDA VAN DEN HENDE

Upminster Windmill Quiz Night

The annual quiz night, for our windmill will be on Saturday 21st Feb, starting at 7.30pm. Tables of 8, bring your own refreshments. All profits go to the restoration of the mill. Please phone or e-mail me for your tables - do not worry if

you can not raise enough for a full table, we can match you up on the night. My contact telephone number: 01708 225451.

Cllr LINDA HAWTHORN

Damyns Hall Aerodrome

At long last details of a legal agreement have been finalised between the council and the owners of Damyns Hall regarding various matters which should ensure that the silver hanger near the Aveley Road is demolished, together with a number of smaller buildings on the site. This will allow for the building of the new hanger at the rear of the site which will house the light aircraft based there. There are also restrictions on the number of helicopter and airship movements. This agreement also opens the way for the setting up of the local consultative committee which was agreed a while ago but has never to date been constituted. I will keep you update on these developments.

Best Shop Window

We had the judging of the best decorated Christmas shop window in Avon Road and Cranham Village in December. David Henry who has watered the plants in the Village throughout the Summer months, did us the honour of judging the competition. It was a difficult choice for David as there were 4

very strong contenders. I am pleased to announce that Bliss Flowers in Cranham Village pipped the others to the post and is this years winner of the best Christmas Decorated Shop.

Cllr GILLIAN FORD

Upminster Jewellery Workshop

Glenn, Martin and the team at Upminster Jewellery workshop thank locals for their support. Despite being working Jewellers all our lives, we were not sure how opening the shop in St Mary's Lane would turn out, but we are thrilled with the response from people who enjoy seeing their precious pieces of jewellery come to life in our onsite workshop.

As a thank you, we help out in as many local initiatives as we are able, to support the community.

Spring Clean

We are pleased to confirm that footway works outside the shops in Front Lane, opposite Chris Wilbourne's, will take place mid to late February; weather

permitting. You will also be aware that over previous months the railings in Cranham Village have been damaged and replaced in galvanized form. In the spring we have agreement from the council to repair the damaged railings and for them to be painted black. Painting will also be undertaken on the bollards in the area including those by the Cranham Social Centre.

CLARENCE BARRETT

Handmade clothing for little girls

Having worked in the fashion industry for a number of years, Carla began designing and making garments for her daughter in 2013.

Over time this became the inspiration for a new home business in Cranham; Carla Kirste – Handmade Clothing for Little Girls. If you're looking for beautifully stitched, handmade clothes in timeless, classic styles you can find more information about the business as well as photos of the latest collection at www.carlakirste.co.uk

School Places for Upminster Pupils

With proposed expansions to local primary schools resurfacing again maybe it is time to consider whether it is really necessary. Only a couple of years ago 5.5 million was spent to expand Branfil Primary to 3 form entry and replace the dilapidated infant accommodation. However, since expansion Branfil have failed to fill their increased places. This academic year only 76 of the 90 places were allocated with 20% of the allocation being to Thurrock pupils. Last year was a similar story.

It is a fact that in Upminster and Cranham today many pupils at local schools are not local children. The population of Upminster is generally older and with no mass house building taking place the population is not rising. One must ask, at a time when Havering Council is forced to make massive cuts, should we, Havering ratepayers have to fund expansion to Upminster schools for the benefit of Thurrock residents. Maybe it is time to follow Wandsworth and consider scrapping the sibling rule to Havering Schools Admissions policy.
