UPMINSTER & CRANHAM RESIDENTS’ ASSOCIATION

Budget Challenge 2018

As we approach the challenging task of setting a budget and Council Tax for next year, the undertaking has been made even more difficult by reduced levels of funding from central government while demand for services continues to grow. For example:

- In 2010, Havering received a grant of £53.3m, by 2019 that will be £1.4m before disappearing thereafter
- Demand continues to grow, particularly in social care, children’s services and housing
- Waste disposal costs are set to increase substantially from £15m
- Significant reductions in Public Health and Education Services Grant

The situation is not helped by the way grant funding is distributed. For example, while Havering residents receive around £175 grant per head, it falls way behind our neighbours in Redbridge (£237) and Barking & Dagenham (£392). Sadly, this has been the story from successive governments and not just the present one. Having made savings of over £40m since 2014, the 2018/19 budget still faces a shortfall of some £5.6m - but we are working hard to bridge that gap while keeping Council Tax at reasonable levels.

Our focus is always to place the interests of our residents’ first and foremost and to provide the best services we can within the budget available. I shall keep you updated on this important matter over the coming months.

Cllr CLARENCE BARRETT

Police Station Closures

Plans by the Mayor of London to close Hornchurch and Rainham police stations, along with seven safer neighbourhood bases, including Upminster, have been met with incredulity and resistance across the community. This comes at a time when the tri-borough police pilot model (Havering, Redbridge and Barking & Dagenham) has led to a sharp decline in response times and growing calls to exit from the pilot scheme. As reported in our October issue, a consultation has been conducted and the results are now awaited. We will keep you updated on these proposals through our website (ucra.co.uk) and The Bulletin.

Cllr CLARENCE BARRETT

Sunnings Lane

I am pleased to say that the Highways committee agreed to the closure of Sunnings Lane in September - this scheme was first mooted a number of years ago as the residents were concerned about the traffic speeding from the rural part of the lane and not slowing when it reached the houses. When the road became blighted by substantial fly-tipping, it was felt that the cost of closing the lane was less that the constant removal of the tipping, so the scheme was resurrected, and this time has been successful. I have been fighting for this for some time.

Cllr CLARENCE BARRETT

**Sun Shines for Allotment Day**

The Stewart Avenue Allotments Open Day held in September was a resounding success. Not only was the weather kind, there were also many attractions for visitors to enjoy along with prizes for best produce. Among the many inspiring exhibits, the scarecrow competition was won by Matthew Church with his very impressive ‘Spice Boy’ creation. Thanks were extended to the Upminster & Cranham Residents Association who sponsored the Show, where Association Chairman, Chris Wilkins, was on hand to present the prizes, the Upminster Tap Room who kindly sponsored the Prosecco raffle, with a bottle being won every hour and the Vanilla Bake Club for judging the baking classes.

**All Saints Welcome revd Marion Williams**

In September a packed congregation gathered at All Saints Church, The Chase, to witness the Licensing and Installation of the Revd Marion Williams as Priest-in-Charge of the Parish of Cranham.
All Saints. The ceremony was conducted by the Bishop of Barking, the Rt Revd Peter Hill and the Archdeacon of Barking, the Venerable Dr John Perumbulath. Set against the beautiful and historic setting of the church, which can be traced back to the 13th Century, the service was capped off with numerous expressions of welcome and congratulations from members of the community including Cllr Linda Van den Hende as Mayor of Havering and clergy. Marion said: “I have served All Saints Cranham for just under two years as a Curate-in-charge, and am excited to be licensed and installed as Priest-in-charge. I was blessed to see the church so full, and I look forward to my continuing to serve the people of Cranham.”

Harwood Hall, Upminster

We have some magnificent buildings locally and one in particular is Harwood Hall off Harwood Hall Lane. It was built in the 18th century by James Esdaile, for his daughter, and son-in-law, George Stubbs (no relation of the artist). The Hall is fairly modest, but built to his usual high standard and has remained unaltered over the years. The grounds are stunning, with huge trees, which must have been there when the house was built.

Now the home of the Oakfield Montessori School, the new head Katrina Carroll is keen to get involved with the community and let the public see what a marvellous asset this is. Open days are being planned and perhaps concerts, fairs, etc, during the weekends. Let us have your ideas. This gem is not well known, and it’s very pleasing to see that the new Head wishes to put it on the map.

Cllr LINDA HAWTHORN

James Oglethorpe School

The James Oglethorpe Primary School is at a very exciting time in its journey. Having recently expanded throughout to a two-form entry school, undergone extensive renovations and with a new leadership team in place we are ready to continue our journey towards being recognised as an outstanding educational facility. Our core values are based upon aspiration, integrity and identity. We are a warm and welcoming school with a vast amount of facilities available for our students. There is also an excellent pre-school located on our school site that will be in a brand new state of the art building from January 2018. We would like to welcome all prospective parents to come and visit us and see our school in action on one of our tours scheduled for Wednesday 1st, Thursday 2nd, Tuesday 7th and Friday 10th November 2017 9:30-10:30am. Wingletye Lane Accident Reduction

You may recall our previous article in the Bulletin following the very detailed report that the Council presented to the Highways Committee on a number of proposed safety improvements to reduce speeds and minimise accidents along this busy road.

In the five-year period to October 2016, thirty-one personal injury accidents were recorded along Wingletye Lane of these, four were serious, four were speed related, eight involved pedestrians, and six occurred during the hours of darkness.

Following public consultation on which we gave a number of views, the committee have agreed the following improvements.

* Between Upminster Road and Minster Way a humped pelican crossing and humped pedestrian refuge
* North of Lee Gardens a humped pelican crossing.
* South of Parkstone Avenue / Wych Elm Road a humped zebra crossing.

Having seen the level of traffic increase as a result of the A127 road works we feel that some control is essential and we hope these measures will assist.

London in Bloom
Every year, London Boroughs enter London in Bloom where open spaces parks and crematoriums are inspected by an independent team and graded on their quality. Havering always does very well in this scheme, but this year surpassed themselves. Overall, Havering was awarded silver gilt for the city’s award, along with Rainham for the small London Village, and Elm Park for small Town Centre. Raphael Park received gold for the conservation area, along with Bedfords Park, Dagnam Park and Horncchurch Country Park. Upminster Park received gold for best large park, we were really pleased to hear this as Upminster Park is a real jewel in our community. Credit to the Council’s Conservation officer that our three historic gardens all got awards - silver gilt for Langtons and Raphael and silver for little Clockhouse Gardens - we’ll get the gilt next year. The south Essex Crematorium, always a sad place to visit, but always made better by the standard of the grounds maintenance work, not only did it win a gold award, but was named as the winner of the Large Cemetery category.

Cllr LINDA HAWTHORN

Winter Concert
Rehearsals are now well underway for the Havering Concert Orchestra’s winter concert on Saturday 25th November, 7.30pm at Frances Bardsley Academy, Romford. The concert also features works from some of the finest European composers, including Wagner’s Meistersingers Overture, Beethoven’s 1st Symphony and Mozart’s Don Giovanni Overture. We look forward to welcoming Havering’s Mayor, Cllr Linda Van de Hende to our performance. Advance tickets are now available on line via www.hcoweb.co.uk at £8 or can also be purchased for £10 on the door. Havering Street Watch

Havering Street Watch is run for the community by the community in partnership with the Metropolitan Police. We walk the streets of Havering wearing our high viz jackets helping to deter low level crime and anti social behaviour. Along the way we speak to local residents and provide reassurance to them. We meet regularly with police officers, where we are advised about crime trends, what work is being done in the borough to help reduce crime and also receive training on various subjects i.e drug awareness, first aid training, counter terrorism training. Volunteers do not have to commit any specific amount of time to the scheme but patrol when they can. All they have to do is put on a high viz when out walking the dog, walking to the station in the morning or just popping up the local shop. One of our volunteers goes out on his bike from time to time. If you are interested in volunteering, please contact Sally Miller, swhavering@btinternet.com, 07934372674.

Short Songs and Tall Stories

An evening of entertainment from Chris Bishop. Chris has developed a style of his own, being a mixture of old Traditional Folk songs and not so old songs, blending with stories and jokes which gives his ‘act’ the name ‘Short Songs and Tall Stories’. Saturday 25th November 2017 at St Laurence Church, Upminster 7.15 pm for 7.30 pm start. Raising funds for the St. Laurence Church Building Improvement Fund. Tickets £10 per adult, £7 students and under 18’s, including welcome drink with light refreshments following the show. Tickets from Clive Edwards 01708 640335 or clive-edwards@btconnect.com

Havering Local Plan

One of the important points of the proposed Havering Local Plan is surely how many of the new homes will be occupied by people on Havering’s own housing waiting list. Unless a large number of the dwellings are ‘affordable’ and those acquired by social housing providers are designated for occupation by local people, all that is likely to happen is that the homes will be sold at high prices, predominantly to people from outside the borough. This would simply raise the local population and leave us with the same housing shortages. The Local Plan proposal is for larger developments to include at least 35% affordable housing but most developers will try to reduce this as they make less profit on these. However, I believe that the 35% target should be something we stick to rigidly. The London Mayor is likely to pressure for more and more homes in boroughs like Havering. We therefore need to make sure that we are not forced to build more than our fair share and these homes must meet our needs and not just those of the rest of London.

RAF Air Cadets Open Evening

Are you in year 8 (age 12) and under 17 and interested in Flying, Sport, Shooting, Adventure Training Activities (canoeing and climbing) and making new friends? If so join us for an open evening on Thursday 2nd November at 7.30pm at Tyrells Close, Upminster. A chance to meet people of your age to see what they have to say about it and what they do. If you are 20 and over you could become a member of staff and provide invaluable support to the squadron.

On Pavement Parking

A large number of roads in Upminster and Cranham Wards are in the Upminster Controlled parking Zone where there are parking restrictions. Predominantly 8am to 9.30am or 8am to 6.30pm. The Zone was primarily introduced to stop commuter parking blocking local roads and has been extended following requests from residents over the years. Kindly note in a number of roads in the zone there are white lined bays which allow vehicles to park part on the pavement. During the “restricted times” vehicles should not use these bays as the restriction times also cover these bays and the Council will issue penalty notices.

Stallholders Wanted

The Rotary Club of Hornchurch & Upminster will be holding its 4th Annual “Village Fete” on the green by Queen’s Theatre, Hornchurch on Saturday 7th July 2018. Sites will be available to stallholders at £20 each and applicants are invited to apply to Rotarian Norman Ellenby (07941 899778). Space is limited so applications will be on a first come first accepted basis.

Raise a Million

A group of dedicated Harold Wood volunteers launched a campaign on Wednesday 6th September to raise the final £50,000 needed to reach their target of £1 million since they started fundraising 24 years ago for Rainbow Trust Children’s Charity, which supports families caring for a child with a life threatening or terminal illness. The volunteers, who run the Harold Wood charity shop at 33 Station Road, were joined by Councillor Linda Van den Hende, the Mayor of Havering, who officially launched the campaign, along with shop staff, adjoining shop keepers and local families supported by Rainbow Trust. Anyone wanting to help Harold Wood volunteers reach £1 million can donate in the shop at 33 Station Road or online at justgiving.com/crowdfunding/Harold-wood-shop.

Postcards and Christmas Cards

Letter published in Mail on Sunday (1 Oct) - While there is an apparent decline in the sending of seaside postcards, it seems the days of exchanging traditional Christmas Cards may also sadly numbered. The popularity and ease of social media messaging, coupled with the high cost of postage, has meant the customary card dropping through the letter box could soon be a thing of the past. One way to revive the flagging custom may be to introduce a half price seasonal postage stamp which could deliver cards within five days instead of one or two?

The Famous Three

We have published each year details of the “famous three” from when they started at James Oglethorpe School. Please see below this new term update from them. Councillor Ron Ower

Lily Parkinson
In Year 8 I worked hard to get good grades and hope to carry this on in my next year. I hope to continue in the extra activities that I did whilst in year 8 and look forward to new challenges this year and I am now starting to think about what subjects I would like to take for my GCSE’s.

Oliver Loveday
I am looking forward to going into year 9 although not many changes from last year but I am looking forward to choosing my options at the end of the year.

William Brown
I really enjoyed Year 8 especially my language trip to Germany at the end of the year. I’m looking forward to year 9 and will soon be starting to think about what options I am going to take for my GCSEs.

Upminster Art Society

Abigail’s Column

Most of us probably have the idea that a homeless person is out of work, older, male and living on the streets. This is not always the case and thanks to the charity Hope4Havering many of those that find themselves homeless in Havering can have a bed for the night. CEO Kim Merry informs me that homeless people do not fit my above description there are young people, employed people and a lot of women. People find themselves homeless for all sorts of reasons, relationship breakups, financial reasons, mental health issues, business collapses, loss of job and so on. Without the work of Hope4Havering there would be many more people on the streets. They give a bed and food to up to 30 people a night and help them find a home to move onto. With winter on its way Hope4Havering is even more important to people who find themselves without a home.

If you are interested in helping they are looking for extra volunteers including shelter helpers (talking to guests), van drivers, cooks and donations of money, good or services. It is a great charity so get involved. Their website is hope4havering.org and are on Facebook.

A Glimpse into Yesterday

Shop sign renewal and renovations can sometimes give us a brief glimpse into the past. In a recent example, fitters working on the former Poetic Design shop in Station Road (next to the small Costa Coffee) reveal it was once two shops, Jeannette which sold fruit & veg and Valerie’s the florist (maybe from the 1980s?). Last year, as the former Alishan Restaurant became Elbi’s, refurbishment work revealed it was once known as Mead’s Bar in decades gone by.
