## UPMINSTER & CRANHAM RESIDENTS' ASSOCIATION

### Parking Permits

We reported last month that at the Councils Budget meeting in February the Conservatives who currently control the Council voted to take away the 30 minute free parking period from Hornchurch and Upminster Car Parks and are increasing car parking charges substantially. Your local Residents Association Councillors voted against this!

Please note the Conservatives also pushed through a scheme to impose residents and visitors parking permits.

What will this mean to local residents?

- To be able to park your car in your road you will need to purchase a parking permit each year. The costs of permits are currently £35 for the first vehicle, £60 for the second and any further vehicles will cost £85 each. We believe these costs are planned to be increased as well!
- You may also need to purchase Visitor's Parking Permits which currently cost £13 for a book of ten 4-hour permits.
- Parking permits have only increased in cost.
- Having a parking permit will NOT guarantee you a parking place near your home.

The Conservatives say this will deter commuters from parking near the Stations.

However, as we know there are already a wide range of roads around Upminster Station that have parking restrictions already i.e. from 8am to 9.30am or 8am to 6pm as examples introduced to deter commuter parking.

There was extensive consultation two years ago on the introduction of permits with several letters going out to residents and presentations in Upminster Library with the result being a resounding NO.

In fact the petitions presented to the Council were over 90 per cent against the introduction of residents or visitors permits!

We understand that another "consultation exercise" will take place in the late summer.

However you should be advised that the Conservatives have included income from the permits in their budget savings.

Having lost the free parking period and substantially paying more to park can we trust the Tories?

### Cranham By-Election

The On the 9th May a by-election will be held in the Cranham Ward, this has been called due to the sad passing of Councillor Clarence Barrett, who had been a ward councillor since 2006. A former Residents' Association Councillor for Upminster Ward from 2006 to 2018, Linda Van Den Hende will be the Residents' Association candidate. Linda, a resident of Upminster, has previously served on the Licensing, Crime and Disorder and Adult Social Care committees and was Mayor of Havering for 2017/18. A retired Human Resources Director in both Local Government and Metropolitan Police, she has served as a magistrate and is a Governor at two Havering schools. A member of Upminster Police Ward Panel and Vice Chair of Havering Stop and Search Monitoring Group, Linda is a trustee of both 'First Step' and 'Havering Volunteer Centre' charities. Her fundraising activities have included trekking, abseiling, wing walking and parachuting.

### Upminster Pitch & Putt

The proposal to sell Upminster Pitch & Putt site was requisitioned, which meant the formal consultation to sell the land was paused. A list of fifteen grounds for requisition were presented including: 'Could you explain why there has been no public consultation on the sale of the land in respect to the residents gates leading

onto the site, usage, rights of access without challenge from the local authority, afforded to them for over 20 years.' The next part of the process was for the requisition grounds to be heard at the Overview & Scrutiny Board, which was held on 2nd April, at the Town Hall. A number of local residents attended the meeting, which although open to the public, they had no speaking rights. A large number of further questions and challenges were made including: 'The Cabinet recommendation on disposal, as the site is no longer required to be held for the purpose for which the Council presently holds it, fails to consider alternatives and other community benefits. Why were no alternative provisions considered?' Unfortunately, the Conservative Members voted in unity not to uphold the requisition, and the Chair of the Board abstained, which meant the report would not go back to Cabinet for further discussion, and therefore moves straight onto the consultation process.

The consultation process in accordance with the Local Government Act 1972 and Town and Country Planning Act 1990,

requires notices to be placed in a local newspaper circulating in the area for two consecutive weeks, which is a very short turn around and a very limited notification circulation. The publication date is currently unknown, but almost certainly the deadline will have passed by the time you receive your next Bulletin. Hopefully you will have found out by our other forms of communication, or by word of mouth in time to comment.

prove his innocence, our hero escapes and finds himself on the run from dastardly murderers, double-crossing secret agents and a succession of hair raising escapades.

The stage production misses nothing from the classic film as the action includes an on stage plane crash, a death defying escape from the Flying Scotsman over the Forth Bridge, handcuffs, missing fingers and some good old fashioned romance! With only four actors playing multiple roles this is a fast paced and action packed adaptation of one of the most famous spy novels ever written.

## Wednesday Music Evenings

**Wed 8th May - Luxury Liners - The Music Played On Board - presented by Brian Luck.**

Music from the 1920-1960 era as he remembers when luxury liners ruled the waves and offered travel that was considered an art form. Music of the days when you could listen and dance to some great salon orchestras and bands.

**Wed 22nd May - Work, Rest & Play - presented by Harry Newman.**

A programme featuring music that illustrates aspects of work, rest (rather than sleep) and leisure pursuits. This programme was originally to have been presented by Alan Tomlin, one of our most popular presenters who died in January and it will now also be a tribute to Alan who had already noted down many of the items he intended to play.

All programmes take place in the 1st Floor Meeting Room, Hornchurch Library, North Street and commence at 7.30pm ending by 9.30pm. Admission is free but a small donation is requested to cover interval refreshments. No need to book a seat - just turn up. ## Wing Walking For HFCA

Amy Shepherd will be Wing Walking on a bi-plane on Saturday 8th June at Daymns Hall Aerodrome in Upminster.

All the proceeds raised will go to enabling the Havering Foster Carers Association (HFCA) to take Havering fostering families for days out. Amy supports the HFCA by helping out at events, creating posters for each event and is great with the children. Please support Amy by reading her story and making a donation by clicking on the link below <https://www.justgiving.com/crowdfunding/amyshepherd>

## Guided Wild-Flower Walks

There will be one walk in the afternoon in a Wednesday in each month, started in April, last one in August. We meet by the visitor centre at Belhus Woods Country Park and we set out at 1:30pm, returning by 4:30pm, so we are out for 3 hours.

Choice of clothing is important, as there may well be mud, and Brambles, and unwanted biting

insects. Strongly suggested: Wear old and tough clothes that will keep your skin protected, wear old tough trousers, wear wellies or similar, unless the weather has been dry all summer! (As it did this last summer!). Participants must be able to kneel down on the ground, and get up again, without assistance. We are on our feet for the full 3 hours, but we usually walk rather slowly. Bring some items that might be helpful: Sunhat if it is hot and sunny, skin cream if biting insects are out and about, notebook and pencil, a small hand lens (but I can lend one of mine if you don't have one). No dogs, please, as they are always trying to get to the same spot that we want to look at!!!! If you have a wild flower book, do bring it. Some folk bring a mobile phone with camera in it, but definitely not essential.

If you come by car, there is a large car park but you have to pay. Better value if you fill your car! The Park requires a small fee, usually it is about £5 per head. Dates: all Wed afternoons: 1st May; 5th June; 10th July; 7th August.

If you want more information, or if you have a question, please contact me on 01708 228921 or email [m.smith33gpr@gmail.com](mailto:m.smith33gpr@gmail.com).

## Bach Flower Course

The essence of life - a spiritual exploration of the power of nature using Bach Flowers is a course developed by Julia Massey over many years of working with Bach Flower Essences. She has extensive client experience alongside continual professional development and an intent on using the power of nature in her own life, as well as in the treatment of others. Julia teaches this course once each year to a very small group of students (no more than 8) over three separate dates. Her affinity with nature and it's healing power affords all students with unique guidance and skills that are truly incomparable. Students complete

this course and go on to utilise Bach Flower in their everyday lives, and as a complement to any existing therapies that they may practise. In the words of many former students, it is simply 'Life Changing'...

The Next Course Begins on 28th April 2019 at The Upminster Sanctuary, Pea Lane, Upminster, Essex, RM14 2XH.

If you are interested in finding out more about the course contact The Sanctuary on 01708 251124 or call Julia directly on 01708 221941.

## White Line Bays

Over the years with the huge increase of vehicles locally a number of roads have "white line bays" where it is permissible to park on the pavement thus allowing freer movement of vehicles etc.

May we remind you that where these bays are in "controlled parking areas" where vehicles are banned as an example 8 am to 9.30 am etc.

Parking in these bays are still the subject of the ban.

The Council will and do issue parking tickets. Please feel free to pass this information on and do not let your fiends or relatives

## Thames Chase Community Forest

Throughout the winter months our conservation volunteers have been increasing the tree cover across the Community Forest by planting a number of trees with a variety of land owners. 800 trees have been planted with primary school children in school grounds and at the new woodland at Berwick Glades managed by Forestry England, at Ingrebourne Valley and Stubbers Outdoor Pursuits Centre. Funding for this project came from DEFRA through the Community Forest Network. Forestry England (the new name for the Forestry Commission) celebrated 100 years of woodland development by planting 9,723 trees at Berwick Glades to create a new community woodland in the

Forest and a strategic link between woodlands. This completes the 49th site of restored green space across the 40sq miles of the Community Forest..

## Pedal Away Those Parking Blues ...

They say that watching TV is now considered more dangerous than riding a bicycle. This is because many of us now have inactive lifestyles that make us more susceptible to heart disease and diabetes. A tiny amount of exercise, such as cycling to the shops a few times a week, can greatly improve your health. Luckily in Havering, we have numerous quiet turnings and open spaces that can be used to avoid main roads. Ingrebourne Valley being one off road example. Plan your route using the cycle journey planner on Havering Council's website. Don't forget your rucksack and a lock. You'll be pleasantly surprised how stress-free it is not to have to worry about parking and you'll be feeling a lot fitter for it. Why not give it a try?

## New Allotment Trading Hut

New Trading Hut at Allotments Stewart Avenue Allotments have opened a small on-site Trading Hut for a couple of hours each Sunday morning during the growing season from 10-12. We are planning to stock a small selection of gardening items from

compost to labels all at reasonable prices. Growing advice and details of how to apply for a plot will also be available and we'll have the kettle on! Anyone who joins the local Allotments Society is eligible to use the Trading Hut (you don't have to have a plot, so it might be useful for all you gardeners who don't want to have to drive to a Garden Centre all the time). You can join the Society for a very small annual subscription when you visit on a Sunday morning.

Alongside the Trading Hut we will also have plotters' donations of excess vegetables, plants, seeds, jams and chutneys made from allotment produce (all according to season and subject to availability) that will be available for members of the public to purchase. This will be instead of the monthly Gate Sales that we've held for several years and will be open to members and non members. Funds raised will go to support our own and other local Allotments, so by supporting our sales you will be supporting the site to continue to improve and be relevant to today's users. Allotments are very important green spaces for the environment, biodiversity and saving on food miles as well as providing many benefits for plot holders. Keep an eye on our website and the Upminster Facebook page for details and to see what's available each week. We hope to see you soon.

## Shed Workspace

UBC Shed is a workspace where men can work on practical projects or follow hobbies with others based at Upminster Baptist Church, Springfield Gardens, Upminster. Men are welcome from anywhere in Havering. The idea draws on the successful Men's Shed movement in Australia where over 900 Sheds have formed in just over a decade. Our shed is equipped with tools and materials donated by the public and local rotary and we are set up mainly for woodworking, however we are open to other suggestions for different types of projects. The shed is run by the members who decide when the shed opens, at present we open every Tuesday and Thursday morning 9.00 - 12.30. You can drop in any time when we are operating. We are pleased to undertake community project for local groups. Weather it be building a new shed, making notice boards or even small projects such as bird tables we would love to hear from you. ## Local Elections

Kindly note whilst there are "Local Elections" around the country on Thursday 2nd May.

There are none in Havering as we elected Councillors last May with the exception of Cranham Ward where there is a by-election to replace our Residents Councillor Clarence Barrett who sadly passed away.

Cllr Chris Wilkins Mark Halls

dedicated to helping young children with special needs or disabilities and their families.

We are proud that so much of the money raised by the Upminster and Cranham Residents' Association goes to such deserving causes.

Your Residents' Association  
Councillors

## Parking Enforcement Car

My councillor colleagues Linda Hawthorn and Ron Ower have been receiving complaints regarding the Councils CCTV parking vehicle when it parks in Corbets Tey Road. During this time its engine is constantly running. Please see below the reply I have received following taking this up with the Council.

"Thank you for your correspondence regarding the parking enforcement car which was stationary with the

engine still running. I have been informed by Highways, Traffic and Parking that the CCTV vehicle must be left running whilst it is carrying out enforcement/patrol duties as otherwise the CCTV computer would drain the battery with the possibility that the vehicle could not be restarted. However, officers are pleased to advise that the Council is looking into introducing electric CCTV enforcement vehicles in the borough this year."

Cllr CHRIS WILKINS

## Oglethorpe Players Spire Support

The Players are proud to announce their involvement in the All Saint's Cranham Church Spire Refurbishment project. With kind sponsorship from Allen Ford Essex, a magnificent Victorian theatrical evening will be presented complete with vintage comedy and song, a delicious supper followed by a dramatic melodrama of epic proportions, entitled, 'And Never Called Me Mother!!!'

You are invited to sing along with our choruses, then cheer on our hero, gentle Tom; weep with our heroine, tragic Millie; boo and hiss our dastardly villain, the General Francis who has recently returned from exploring foreign parts.

A major event not to be missed.

Produced by Cranham's own award-winning Oglethorpe Players with all profits donated to the beautiful All Saint's Spire refurbishment fund. Please contact 01708 221923 for details and bookings.

Friday 7th and Saturday 8th June at 8pm Vestry Hall, All Saints Church, The Chase, Cranham RM14 3YB. Tickets £10 per person payable prior to performances. Tables of eight, food supplied please bring own drinks.

## Little Church

Proud parents or carers of pre-school age children? Fancy going to Church, but worried that your little one will make more noise than the rest of the congregation put together? We have an answer! At Upminster Baptist Church, we're trialling a new style of Church service - "Little Church". Aimed specifically at pre-school age children and their families, our services are short (45 minutes), relaxed (running around is fine) and fun (ending with craft and games). Next service is Sunday 19th May, from 0930-1015, in the UBC hall (RM14 3EH). No booking necessary, but feel free to email littlechurchbc@gmail.com if you'd like to chat first!

## Royal Parks Talk

We have one of our most popular speakers, Jim Buttress returns to speak about the time he was managing some of the Royal Parks in central London. Jim will be recalling the trial and tribulations of this role in his own inimitable and amusing way. We also have the Society's plant sale,

## Upminster Police update

There are a number of changes to our Police team in Upminster. PC Ben McIntosh left the Met on 13 March and is training to be a train driver, PCSO Julie Andrews is moving to another role in Met HQ from 1 April. The good news is that PC Sarah Wibrow is now back to full duties following her maternity leave, PC James Chinnery has joined the Upminster team and from the end of April we will have a new PCSO Kaser Aleem. Our Sergeant Ian Bargus remains with us, although we do share him with Cranham, Rainham and Wennington and South Hornchurch wards. The Corbets Tey office is still scheduled for closure at the end of June, however there are discussions ongoing which may change that decision.

## Mini Golf Course

Further to the article from our Residents Councillors Gillian Ford and John Tyler on the front page regarding the requisition of the Conservative Controlled Cabinet decision to dispose of the land at the Pitch and Putt Mini Golf Course in Hall Lane where there has been a Planning Application for 48 houses and flats. There was no pre consultation with local residents and the ward Councillors. As we go to press we understand that the Council have received hundreds of objections ! We will keep you updated on this very important matter.
