UPMINSTER & CRANHAM RESIDENTS' ASSOCIATION

May elections

As we have pointed out many times, elections for Councillors to Havering Council take place in May this year. This area has an excellent record of electing Resident Councillors sponsored by the Upminster & Cranham Residents' Association ("UCRA"). We pride ourselves in the knowledge that we work for and in the community all year round, not just at election times. Your Executive group is pleased to be recommending the following team to be put forward for the elections.

Cranham: Councillors John Tyler and Gillian Ford will be joined by Phil Ruck.

Upminster: Councillors Linda Hawthorn and Chris Wilkins will be joined by Oscar Ford.

Councillors **Linda Van den Hende** (Cranham ward) and **Ron Ower** (Upminster ward) have decided not to seek re-election to Havering Council. Please see page 21 for messages from Linda and Ron.

Reminder - UCRA Quiz Night - 7th March

Your UCRA funding and social team, set up to raise funds and bring the community together, have organised a quiz night at the Crumpled Horn on Monday, 7th March. Tickets are sold on a first come first served basis - tickets £4pp with raffle tickets available on the night. If you would like to enter a team, please email bulletinra@yahoo.co.uk and someone will be in touch.

Havering Residents Association "Change is Coming"

The Upminster and Cranham Residents' Association are proud to be members of Havering Residents Association - working together on behalf of local people across Havering.

Havering Council - future customer services

Havering Council (LBH) officials gave a briefing to Elected Members on the current proposals for the local authority's customer services provision once normal council services can completely resume. Services will be divided into internet/telephone services, plus three other areas - Appointment Centre (Town Hall), Libraries (General face-to-face) and Community Hubs. There is a recognition by LBH that telephone/internet services must be improved. They will continue to encourage people to access services via the internet, with an understanding that some may not be able to or want to, and services must be accessible to everyone.

Appointment Centre (Town Hall) - The new Appointment Centre will mainly deal with specific complex issues, and will be appointment only.

Replacement kerbs and pavements

Following recent discussions between Cranham Councillors, a local resident, and Havering Council, we would be interested to hear from anyone in the Cranham and Upminster area who has identified any serious faults with either pavements or kerbstones that have been repaired or replaced as part

of whole road works (not just individual patching etc.), where the fault or failure occurred within six months of the works being undertaken.

Would anyone who knows of any such problems please contact Cllr John Tyler - details here on page 2, giving details of the problem, the location and roughly when the work was completed.

We Are FSTVL

We have been informed that the We Are FSTVL will be returning to Damyns Hall Aerodrome, Aveley Road this year, on Saturday, 6th and Sunday, 7th August 2022. The organisers have a permanent licence from the London Borough of Havering to hold the event. As in previous years, Upminster's Residents' Association Councillors will be liaising with the organisers and Havering Council to ensure that the event runs smoothly, noise levels are monitored, and there is as little disruption as possible to residents. We will keep you informed of further information when we have it, in the Bulletin and our website.

Climate change matters

We are very sad to report that democracy is dead at Havering Council. At a recent Scrutiny meeting to discuss climate change a motion was passed by the Conservative Councillors present to move to the vote, thus denying us the right to speak and give our opinions, as well as other members of the opposition. The time was 9pm, and only 3 speakers had been allowed to speak. Climate change is a very important issue, and around 50 people were outside the chamber from various local groups including Friends of the Earth and Havering Cyclists. We have been told that this subject is high on the Administrations' agenda, but this was not evident from their actions. Climate change should be on everyone's agenda and the residents of Havering should be able to rely on Havering Council to take this matter seriously now to protect the future for everyone.

Cllrs LINDA HAWTHORN AND CHRIS WILKINS

Upminster Methodist Church Christmas Tree festival

Despite threats of COVID restrictions being imposed, the Christmas Tree festival went ahead and was held at the Methodist church in early December. Inside the church were 33 Christmas trees, all beautifully decorated on the theme of, "What Christmas means to us." The event, now in its 10th year had over 1,000 visitors during the week. As part of the event, visitors voted for their favourite tree and this year's winner of the trophy is the 3rd Upminster (Wesley) Beavers with 150 votes. The runners-up, are the 1st Upminster Rainbows (125 votes), and the Upminster Childminders in third place (87 votes). We are very grateful to all the organisations and individuals who decorated a tree.

Our thanks go to the school choirs

that came and sung during the week; the many visitors who made the festival so successful, and of course, we thank the sponsors; individuals and local businesses and the Residents' Association that supported and helped cover the costs of the festival. We are very pleased that this year, thanks to the generosity of the many visitors, we will be able to donate over £2,000 to Saint Francis Hospice.

Santa Float rises to the challenge

In the most challenging of times, Havering Rotary Club with the help of Upminster 41 Club and their families and friends once again brought much cheer to the streets of Upminster and Cranham with their Santa Float. People's generosity continues to be amazing. Every night saw a record amount in our buckets. In ten nights, just over £10,000 was collected for local good causes such as First Step, St Francis Hospice, Riding for the Disabled and Dycourts School. Some

traditions are worth continuing. This is one!!

Now in its 46th year, the smiles and joy the Float brings to young and old makes the miles walked and the soaking clothes all worthwhile. Many, many thanks Upminster and Cranham for all your help and support once again.

COLIN COE,
HAVERING ROTARY CLUB

The Rotary Club of Hornchurch and Upminster would like to thank those who gave to our Christmas charity collections. The street and static collections with our Santa Float raised over £4,500, all of which will be donated to local charities. Thank you all for your support and generosity. Please visit our website for details of our future events. A happy New Year to you all.

David Barnes

It is with sincere regret that I heard just after Christmas that long term local resident David Barnes passed away on Christmas Day

after a long battle with cancer. David and his wife Pat moved into Kennet Close in 1972. David taught at Hall Mead school for 25 years and did a further 5 years as a supply teacher, a wonderful achievement. While at Hall Mead, David also took an active interest in the pastoral care for many students giving them guidance for the future. He was an active member of St Luke's Church in Cranham where he served as a Lay reader ordained by The Church of England.

My contact with David started in 1974 when we were both founder members of the Cranham Community Association ("CCA"). David worked tirelessly for the Association and was delighted that the CCA took over the

former Engayne School Annex in Marlborough Gardens. His three children Ian, Corinne and Steven all attended Engayne before going onto Hall Mead. David was made "Life President" of the CCA. For many years David was also a charity advocate, speaking on behalf of and fundraising for a number of charities. He would also bring parcels of books for a Homeless Charity I assisted. Sadly on Christmas Day a part of Cranham left us.

Our best wishes go out to Pat, Ian, Corinne, Steven and David's eight grandchildren.

Cllr RON OWER

Trees

The Council should only take out dead, diseased or dangerous trees. Really pleased to see that we have a record number of trees planted by the Council following our numerous requests. We keep a very close eye on the planting of trees.

If you have any thoughts on where a tree should go, please let us know.

Upminster Park

What should have been a pleasant walk after dinner around our park on Boxing Day, turned out to be anything but, when I saw the mindless damage which had taken place. Rubbish bins

forced open, the thin silver bins inside flattened and the rubbish strewn everywhere. I notified the Council and was pleased to see the mess was cleared up very quickly, and the bins affected covered over. Replacements will be installed as soon as possible. We are proud of our award winning park, it's such a shame that all do not share our pride.

Cllr LINDA HAWTHORN

Demographics

May I thank the readers who contacted me agreeing that Central Government should be paying for social care. I saw figures in the national media looking at the nation's demographics recently. The number of over 65s in the UK is forecast to increase by 20 percent to 12 million by 2027. The number of people over the age of 90 is expected to rise by more than 750,000 over the same time. One estate agent said that they believed there are around 1.1 million people aged over 65 in Greater London currently and this

Here in Upminster and Cranham we have the largest number of over 65s in the borough. The Government needs to urgently find urgently better ways to look after the elderly population. We want the elderly to enjoy their lives.

Welcome to Positive Signs

Positive Signs is a multi-service business supporting and raising awareness for the Deaf community and recently opened their office and drop-in centre in St Lawrence Road in Upminster. Positive Signs provide British Sign Language ("BSL") services, including support workers for college and university students, a range of employment related support services and provide language support professionals. They also run accredited training courses in BSL. If you're interested in using one of their services or would like to start your

sign language journey and train in BSL, why not drop in and see them at their new office. You can also take a look and book their services via their website: www.positivesigns.uk.

A big Thank You from St Laurence Parish Church

Due to the pandemic, we have been unable to hold our usual packed Crib Services on Christmas Eve for the past two years. However, on Christmas Eve 2021 we invited the public to visit the church, light a candle before the Crib, spend a few moments in peace and quiet and leave a present under the Christmas Tree for those less fortunate. The response from the community was fantastic with a steady stream of visitors moving through the church. A large number of presents were brought and these have now been divided between Little Havens' Hospice, a

Womens' Refuge and Home Start Havering. A big thank you to all who came and for your generosity – the spirit of Christmas shone through. We hope that this year we will be able to resume our normal Crib Services.

Former Othello Restaurant

We publish on our websites ucra.co.uk and raep.org the weekly list of "Planning Applications" that the Council receive. I was interested to see on the last one in December last year Reference P 2417.2 which included an application change of shop front at 25 Station Road - the home of the former Othello Taverna restaurant that closed in 2020. The restaurant must have been open for over forty years, an institution locally famous for its legendary Sunday lunches and pre-Christmas entertainment evenings. We hope to advise you shortly on who is taking over the premises.

H.A.D - The Little Green Hut

Do you know who we are? Havering Association for People with Disabilities (H.A.D) offer a broad range of services and activities for people with disabilities with the object of improving their quality of life, promote independence and meet their physical, emotional, and recreational needs. We welcome and support people with a variety of abilities and long term health conditions. All our activities are held in our accessible and welcoming community hub. We hold classes Monday through to Friday, these include social clubs, art and wellbeing and computer classes. There is a fully accessible computer suite which is available for use. We also have occasional day trips and meals out for all to enjoy. Recently we became distributors for the orange recycle sacks and COVID home testing kits. So, if you live in Havering and 18+ we'd love to meet you, pop in and say hi.

Out shopping

We have received reports of pickpockets in the Romford shopping centre. Please keep your purses and wallets in a very safe place. Pickpockets are very quick.

Prevention is better than losing your valuables.

St Vincent's Charity Shop

Whilst several charity shops have closed recently, interesting to see St Vincent's open up at 19A Station Road, next door to the Children's Society Shop. The charity is "dedicated to tackling poverty and disadvantage by providing practical assistance to people in need, supporting the homeless etc." The shop is looking for donations ie clothing, bric a brac, toys so please take to the shop, but do not leave outside when closed. They are also looking for volunteers at the shop. Please note their email address volunteering@svp.org.uk

Gong Hei Fat Choy

Wishing you great happiness and prosperity.

Chinese New Year. The Year of The Tiger is on Tuesday, 1st February.

Metropolitan Police 'Walk and Talk'

The Metropolitan Police have launched 'Walk and Talk', where women can email the Police and the message will get passed to a local female officer to make contact and arrange to meet up, so you can tell them about your experiences and concerns. To contact them e-mail Emailbox-walkandtalk@met.police.uk or scan the QR code on one of their posters or leaflets.

Lock your vehicles

May we remind you not to leave valuables on display in your

vehicles. Please also ensure that they are locked when not in use. Sadly opportunist thieves are out there!

Eastbury Concert Band raise money for Saint Francis Hospice

On Saturday, 11 December, Eastbury Concert Band (ECB) raised the magnificent sum of £181 for Saint Francis Hospice by playing carols and seasonal music outside Roomes Store in Upminster. They send their thanks to everyone who gave money, for their generosity, and to Roomes Store management for permission to play outside their store.

Crazy Beat Records

We have mentioned this fascinating record shop at 87 Corbets Tey Road before. The

shop has a wide range of second hand vinyl across all music genres; jazz, dance, rock and rap etc, as well as new records and CDs. During 2020 the shop was filmed for a TV advert for Audible Books - if you catch the advert, you will see other parts of Corbets Tey Road as well.

National Cyber Security Centre - new password advice

The National Cyber Security Centre (NCSC) has issued updated advice on choosing passwords for online accounts. Previously, it has been recommended that a series of random characters would provide the best protection, but they are now advising that three random words should be used instead. The NCSC technical director Dr Ian Levy said: "There are several good reasons why we decided on the three random words

Cllr JOHN TYLER

Local church commits to encouraging Upminster families

Upminster families continue to navigate the challenges of seeing their children thrive in a COVID world. As a church it is a privilege to play our part in supporting the families in our community. We are pleased to announce that Rev. Richard Shorter will be joining us at Upminster Baptist Church in January. Richard is an experienced minister, having served in Shoburyness and Harold Hill. His wife Alison, and their three children will be moving to Upminster in the

near future. Richard's primary responsibility will be to support families, youth and children, including those families at the outstanding Springfield pre-school.

Rev. MARK DAVISON

Pinney Talfourd free seminars

Pinney Talfourd's next seminars on Wills and Lasting Powers of Attorney will be taking place on Friday, 11th February and Saturday, 12th February 2022. In the talks, the speakers will look at why having a Will is so important, what a Lasting Power of Attorney is, and how they can help with both. There will be refreshments on offer and lawyers from the team will be available to answer any questions attendees may have.

For more details visit their website here <https://www.pinneytalfourd.co.uk/news/free-wills-lpa-january-february-upminster>

'The Things I Wish My Parents Had Known'

Dame Rachel de Souza DBE, the Children's Commissioner for England, has published a guide giving 'Young people's advice on talking to your child about online sexual harassment.'

She writes that 'We brought together a group of 16-21 year olds and asked them to tell us what they think parents should know, and what they should say to their children when talking about sexualised bullying and the pressures of growing up online. We asked them to think back to when they were a bit younger and tell us what their parents and carers did and said that was helpful...and what wasn't.'

Parking Problems

I would say that in the top ten of complaints I receive, one is certainly on parking problems, in particular where drives are blocked. The Council will and do take action - please see below information from the Council:

"If a vehicle is found to be parked across a resident's driveway preventing them from gaining access or egress, residents can call 01708 432787 where the on duty supervisor will take some details and despatch the first available officer to patrol the location. To enforce a vehicle parked adjacent to a dropped kerb, the vehicle must protrude over the wings of the dropped kerb."

Cllr RON OWER

Police advice re keyless car theft

Upminster Police Safer Neighbourhood Team have issued advice with regard to keyless car thefts, a summary of

which is below. A keyless entry car is one that can be opened by simply walking towards the car and the fob will emit a short range radio signal and unlock the doors. Once you are inside the car you can press the start button to engage the ignition.

Keyless car theft - It usually requires two thieves. Using a hand-held transmitter, the whole process can be done in less than 60 seconds, in relative silence.

Ways to keep your keyless car safe - Invest in a faraday bag or signal blocker pouch. Don't leave your key fob near the front door or front windows. Leave the key the furthest away from the vehicle, so that the signal from the fob won't work.

Alternative methods - Buy a steering wheel lock, which acts as a visible deterrent and provides extra security. Consider investing in driveway security posts, to make it difficult to actually drive away in your car. Fit a tracker to help find your vehicle if it is stolen.

For further advice on preventing vehicle theft and many other crimes visit met.police.uk/cp/crime-prevention/.

Unlock the equity in your home and enjoy a more comfortable retirement.

Are you a homeowner aged 55+? If yes, you could unlock some of the cash tied up in your property by using a lifetime mortgage.

A lifetime mortgage is secured against your home just like a conventional mortgage.

You could release cash to spend however you like for example;

- Improve your home.
- Gift money to Grandchildren for property deposits.
- Have a holiday of a lifetime.

With a lifetime mortgage you will always own your own home*

For your **Free** consultation without obligation please call **01708 220816**.

*It will reduce the value of your estate and may affect your entitlement to means tested benefits.

Postal deliveries

Since early December, we have been contacted by a large number of residents who have received infrequent deliveries of post from Royal Mail. Whilst we understood that the local Delivery Office in Upminster was suffering from high sickness rates in the busy run-up to Christmas, some people were reporting still not receiving some of their post well into January.

Residents' Association Councillors have made attempts to speak to the senior management at the Delivery Office but, as of the time of writing (in mid-January), have unfortunately not succeeded in doing so. We will continue to monitor the situation and keep residents updated.

Cllr JOHN TYLER

Save our Trees

Despite the Government encouraging us to plant more trees, which our HRA teams south of the borough are heavily engaged in doing, Network Rail as we speak, are carrying out systematic destruction of the environment by cutting down beautifully mature

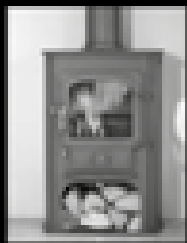

trees across Gidea Park, Emerson Park, Hornchurch and Upminster tracksides. The effect on wildlife will be devastating. HRA teams in Squirrels Heath, Emerson Park and the soon to be formed St. Albans wards are doing everything we can to stop this environmental vandalism. I have sent a letter to the Secretary of State for the Environment, George Eustace MP asking him to intervene and stop this senseless damage with immediate effect. When I spoke to Network Rail in December I was told that "leaves on the line cause delays, delays cost money". This is not acceptable. Lend your weight by signing the petition at <http://ow.ly/62Oj50HsB2R>

Cllr BOB PERRY

Film review: Don't Look Up

A group of scientists tell the world that a planet-killing comet will hit earth in a matter of six months. The president's response? Sit tight and assess. Don't Look Up is a 2021 Netflix sci-fi comedy with a star-studded cast including Leonardo DiCaprio, Jennifer Lawrence, Meryl Streep, Timothee Chalamet, Ariana Grande and Cate Blanchett. It peaked at number 1 on Netflix's world chart and fans seem to love it, however some critics have expressed disapproval, saying that the climate change message is "too obvious". Whilst I understand where they're coming from, I think the overt messaging makes it easy to follow and process.

One of the key themes is social media and how it can vilify some people and make heroes of others. That said, all of the main characters had flaws which I couldn't relate or connect to, perhaps because of the age difference, and also due to their unlikeability. Despite this, the film is captivating as it is very current e.g. populist politicians

are telling the public what they want us to believe, whether it's true or not! There is also a huge class divide with one rule for the leaders and different rules for the rest. It is also satirically comical. The key moralistic messages are to value life and act on experts' advice on major threats like climate change...before it's too late. I would highly recommend this film and encourage you to decide if you are for or against

Daffodil Weekend 2022,
Saturday, 19th March

Every year Thriplow and its surrounding communities work hard to pull off one of the best loved charity events in Cambridgeshire. Over two

days, visitors can walk the car-free village to look at the famous daffodil displays, visit the attractions, open gardens and potter the stalls and crafts. Refreshments are served in the tea rooms with homemade cakes and sandwiches or delicious hot street food can be eaten while listening to live music. Step back in time and experience the warm and friendly atmosphere of village life as it used to be.

Linda Van den Hende - Retiring for the second time

After 12 years of representing Upminster as one of the successful Upminster and Cranham Residents' Association's ("UCRA") Councillor team, I 'retired' in 2018. Following the tragic death of Clarence Barrett, I was asked to stand in Cranham to take his place. I was honoured to do so and hope I have represented Cranham with commitment and integrity for the past 3 years. However it is now time to 'retire' for the second time and I am therefore not seeking re-election in the May 2022 elections. Serving as a UCRA Councillor is a privilege and is hugely rewarding. Helping residents with issues that are of concern to them has its challenges, but overall something that has been largely enjoyable. Aside from being a Councillor during the past 15 years, I undertook a range of other community based activities that I will continue, including school governorship, chairing a committee in Barking Havering Redbridge University Hospitals Trust and a range of police roles, as well as Trusteeship of two charities. I may be 'retiring' but my

community commitment remains and I will not be putting my feet up. I will continue to support UCRA as a member of their Executive Committee and I wish all the UCRA candidates every good wish for the 2022 elections.

Ron Ower – Stepping down, but not signing off

For the second time in 50 years I am stepping down as a local Councillor and my name will not be on ballot papers for the 2022 local elections. I took an interest in politics from a very young age and from 1969, took a particular interest in local Government affairs, when first standing for Council in Newham several times and for the Greater London Council for the Newham Ratepayers' Association, having started a Residents' Association in Forest Gate. Having moved to Moor Lane in Cranham I was delighted to be elected for Cranham as a Residents' Association Councillor in 1978.

In 1990 I decided to stand down for the first time, to focus on my career in the Forest Industry which involved considerable travelling

within the UK and across Europe where I stayed for lengthy periods. Following early retirement I returned in 2010 as Councillor for Upminster and secured the highest vote ever for Havering elections. Whilst not serving as a Councillor, I have always taken an active interest in the Association, chairing the UCRA Executive committee and of course editing the Bulletin for over 25 years, taking it from 4 pages to the current 24 pages and more than doubling its circulation.

We are very lucky to live in this area and without any doubt everyone has benefited from having an active residents' association serving them. As I step down for the second time, I am not signing off and I will continue to take an active interest in our Association and community. Local Government has changed dramatically over the years, staffing levels have been drastically reduced, finance from Central Government has almost disappeared at a time when they want Local Government to

do more. A change in election candidates is a positive for the Association and the fresh perspective they will bring will add greatly to their future success and I wish all of the 2022 election candidates the very best.

Corbets Tey Village

Councillors Linda Hawthorn and Chris Wilkins were at the unveiling of the magnificent village sign at Corbets Tey on the green close to the Huntsman & Hounds pub. They were joined by Chris' dog Otis, along with around seventy residents. The sign was provided through fund raising by local residents and a donation from the Upminster & Cranham Residents' Association. Special thanks should go to David Wright, the local

blacksmith who made the sign at cost. Thanks to all those who attended. A number of residents commented to Linda and Chris that they were delighted that the area remains in Upminster ward and was not transferred to Rainham as was proposed by the Boundary Commission.

Reporting dangerous roads and pavements during icy conditions update

Over the past year I have highlighted my campaign to get Havering Council to provide a direct telephone number to allow fast-time reporting of dangerous roads and pavements during cold weather. Only designated main roads in Havering are gritted by the Council's gritting teams when icy weather is predicted, and side roads and paths will not be added to these routes, no matter whether they routinely become dangerous or not.

In January's edition of the Bulletin I said I would update readers when I received a reply from the Cabinet Member for Environment to the question I sent to him in mid-November, highlighting the issue once again. I am disappointed (but unfortunately not surprised) to report that, as I write nearly seven weeks later, I have not received the courtesy of a reply and we are now in the middle of the winter period.
