UPMINSTER & CRANHAM RESIDENTS' ASSOCIATION

A huge thank you

Cllrs Phil Ruck, Chris Wilkins, Linda Hawthorn, John Tyler, Gillian Ford, Oscar Ford (left to right)

We are delighted to be elected to represent Upminster and Cranham, receiving some of the highest number of votes on the Council. We truly appreciate that without you, our supporters, none of this could happen. We would like to personally thank everyone who voted for us, and will assure you we will be doing our best not to let you down.

Cllrs OSCAR FORD, LINDA HAWTHORN and CHRIS WILKINS for Upminster
Cllrs GILLIAN FORD, JOHN TYLER and PHIL RUCK for Cranham

The Administration for Havering

The success of the independent residents' Councillors at the local elections in May was phenomenal and has created a great opportunity for your Councillors to have a bigger voice on how local affairs are going to be managed over the next 4 years. As we go to print, the final outcome on the future of the Administration for Havering remains to be finalised. Watch this space!

Street parties

Best wishes to Her Majesty on her 70th Platinum Jubilee. A number of roads applied to have their roads closed thus enabling them to hold "street parties" to celebrate. We hope these go well.

Havering Residents Association

"Change is Coming"

The Upminster and Cranham Residents' Association are proud to be members of Havering Residents Association - working together on behalf of local people across Havering.

Welcome

May we take this opportunity in welcoming all the new households that have joined us. Our annual subscription is a mere £2 per year. Whilst we hope to cover the cost of The Bulletin through advertising, we need funds to cover any legal bills and in the past have spent substantial amounts on planning issues and expenses to keep your Residents' Association working on behalf of the community. We take an active interest in supporting you and will continue to do so. We are active all the time, not just election times.

Green Gym for Hall Lane Playing Fields

The Friends of Hall Lane Playing Fields are delighted to announce that an application for the installation of an outdoor 'green' gym for the playing fields has been approved by the Council. The green gym represents a substantial investment for the playing fields and will help promote physical health and mental wellbeing within the local

Foodbank

The Foodbank is under severe strain with increased requests for assistance. If you can donate via one of the supermarkets, that's great, but not everything clients need is donated in sufficient quantity so it is helpful for them to have monetary donations as well so they can stock up on items donated less often. And they have to meet the costs associated with running a warehouse; it all adds up. You could send a cheque, payable to Kingdom Storehouse Ltd, to the Harold Hill Food Bank,

Unit 1, Guardian Business Centre, Faringdon Avenue, Romford, RM3 8FD, or you could go online to <https://haroldhill.foodbank.org.uk/give-help/donate-money/>. Please consider donating - it could make so much difference to a family in need.

Beware of Scams

Each month we get details of "scams" the latest where residents get a call asking for bank details so they can receive the Government's £150 energy rebate or getting a text or a call saying you are entitled to a tax rebate. Please be careful these scammers are very clever. If you get a call and are concerned do not give out personal details.

New Upminster Organiser

Chris Wilkins has stepped down as the Upminster Organiser, and Gio Anastasi has taken over the position. Gio has been a member of the Bulletin team, as an Area Controller, and has now agreed to take over the Upminster Organiser role. Welcome Gio!

Upminster Windmill Gardens and Visitor Centre

Over 300 people visited Upminster Windmill over the Easter weekend, when the grounds, gardens and visitor centre were opened to the public, enabling them to enjoy the surroundings and get a taste of what will be on offer when the restoration work is complete and the mill can once again be open for visitors. This remains planned for April 2023.

Visitors were also given a preview of the attractive and interactive educational displays that are being developed to help them learn about the mill and its history.

The touchscreen technology is easy to use and the displays are visually stunning. Because of the success of the trial openings, further openings will be held on Saturday, 4 June and Sunday, 5 June, from 11am to 4pm on both days. Entrance is free and, weather permitting, the sails will be turning. Please note that there will be no parking on the field. The nearest Council car park is just across the road at the New Windmill Hall.

For further information please look on the website: www.upminsterwindmill.org or on facebook.

Brick Lane Bagel Company

For over sixty years I have been a visitor to Brick Lane in London's East End. I can remember the animals being sold for pets in Club Row a minute from Brick Lane and following an intensive campaign by animal welfare groups this became a thing of the past. Huge memories of the Sunday markets ...with many stories. Seeing the guys from Bangladesh arrive in high numbers and opening a huge amount of restaurants.

For many visitors to Brick Lane a must buy would be a "bagel" or as many Eastenders would say a "beigel" especially with smoked salmon. Interesting to see in our Upminster shopping centre The Brick Lane Bagel Company are opening up in Corbets Tey Road. Go along and say hello.

The Comedy Loft @Coopers'

On Saturday, 25th June a new comedy club is coming to Coopers' in association with

Out of Bounds Comedy. Covent Garden acts brought to your home town. Headline act by Dominic Holland, one of the country's most respected stand-up comedians and Nominee at the Edinburgh Fringe. Save the trip into London and enjoy a night of hilarity with some of London's great comedians on your doorstep at The Comedy Loft @Coopers' School in Upminster. Strictly over 18s. Doors open 7.15pm for 8pm start. Cash bar. Tickets £15. Book online <https://app.parentpay.com/ParentPayShop/Uniform/Default.aspx?shopid=827>. All proceeds to the Parents' Association. We'd love to see you there. When booking, enter 'GUEST' in the 'Child name' box.

Government Pension Tracing Service

Many people who have changed jobs during their working lives (the average is 11 jobs per person) may have accrued several small private pensions. In some cases, they may not have details of a pension

or the company involved may have changed ownership and be difficult to trace.

To help people find their lost pensions, the government has a free pension tracing service. You can contact them via www.gov.uk/find-pension-contact-details or on their freephone number **0800 731 0193**.

Tithe Barn

The Tithe Barn Museum of Nostalgia has the following open days this year. The Barn is open from 10.30am to 4pm in Hall Lane. There is a free car park and disabled parking space is available. Entry is free.

June 4 & 18, July 2 & 16, August 6 & 20, September 3 & 17, October 1.

They have an excellent website upminstertithebarn.co.uk

Garage burglaries

Please note the following warning we have received from the local Police following several garages that have been broken into:

"I've had a look online and seen garage door blockers, garage door defenders or garage door security bars of all different shapes and sizes to buy.

Please have a look at your garage security, especially if you lease or own one away from your property and find a security device that is best for you."

Nice local people

It was really great when canvassing for our Residents' Association candidates in the local elections seeing some old friends and getting confirmation of what a nice area we live in with the benefit of nice people living here. As an example I was in Aldi supermarket recently ... yes the wines are great, when a young lady came back into the store absolutely distressed.

Knives disposal

We asked the Council where knives could be disposed of. They confirmed they should be placed in the scrap metal bin at the Gerpins Lane tip; there is no dedicated container. Please be careful when taking them to the tip.

Upminster station – a model railway

Local resident Lee Whall is in the process of recreating Upminster station in OO scale model railway. The project has progressed significantly and the footbridge,

platforms 1-6 and the shelter on platform 6 along with a wealth of locomotives are complete. Production of the beautiful old station building is his next task and is one third complete, but Lee is seeking the help of local residents to provide more information about the history of the building, acknowledging the legacy and significant role the railway line and Upminster station has played to provide residents with a travel network into the City of London and out to the seaside

in a short train ride. Lee asks "what are the building blocks and elements that have created such a wonderfully beautiful station that we have the pleasure to call 'home' on arrival?" Residents can look at the progress of this project online, via YouTube searching for Lee Whall. You will see the links to the videos and can not only watch, but comment on the project. Lee also welcomes any thoughts via email leemwhall@gmail.com

On completion his dream is to take the station to the Havering Show and is seeking any information or photos to help ensure every detail is captured.

Bell school barrier

We often get frustrated at how long it can take the Council to address a repair. I reported to the Council that the safety barrier in St Mary's Lane outside the Bell school had been bashed by a vehicle. I hate to think what the condition of the vehicle was in. The Council repaired the barrier quickly. At the time of writing still waiting to see when the black bollard that was hit sometime earlier will be repaired.

Upminster South District Guides

The Upminster South District are short of leaders in all sections, but in particular for our last remaining Guide Unit at St Laurence Church (Wednesday 7.30pm - 9pm). There has been a Guide unit at St

Thames Chase 6th annual art exhibition exhibits local artists

On 1st September 2022, Thames Chase will launch their 6th annual art and culture exhibition celebrating the work of Thames Chase Community Artists. The show will feature a wide range of artworks inspired by what can be seen and found throughout the Thames Chase Community Forest and the mosaic of landscapes across the region. Visitors will be treated to a schedule of live performances from local musicians and performers. The full range of exhibits will also appear on our website.

The 6th annual exhibition will

include over 60 pieces of work on display and for sale - ranging from £10 to £2,000 from a wide range of local artists, both amateur and professional.

Our annual Art Competition for Children also returns this year. Encouraging engagement with the natural environment this year's theme is Enjoying The Forest. The artwork can be any medium eg. paint, pencil, charcoal, collage or sculpture and to enter you just need to send an image of your favourite artwork to enquiries@thameschase.org.uk with the sentence 'I love forests because...' completed, by 23:59 on 15th August. Entries will be judged in 2 categories (4-10yrs and 11-16yrs).

Feeding the ducks

There are a number of lakes and ponds in our area. It's great to see the variety of wildlife, especially

ducks and swans. We have been asked to remind you that whilst the ducks will eat bread, they need a varied diet to be healthy and bread does not have much nutritional value. It fills the duck's stomach so it doesn't forage for the food it should naturally eat, which can lead to malnutrition. Bread can also attract rodents. The Canal & River Trust has an excellent website www.canalrivertrust.org.uk with some really useful information. They recommend the sweetcorn, lettuce, frozen peas, oats, seeds and rice. A healthy duck is a happy duck.

Queen's Theatre, Never Never

Queen's Theatre is thrilled to be celebrating 30 years of nurturing

and showcasing young talent through its dynamic youth theatre, QYouth this July. The Theatre has specially commissioned James Watson and Andrew Linham to write a brand-new musical, Never Never, set to be Queen's Theatre's biggest youth theatre production to date featuring 180 young people aged 6 - 18, representing every

ward of the borough.

Never Never gives a 1960's twist on a well-loved tale. This brand-new journey to Neverland promises all the fun of the fair, where life is one big game of adventure, and you never never want to grow up. But time is ticking for our radio pirates as an all-new generation battle for the beaches of Neverland in this summer's awfully big

musical adventure. Powered by the summer of 1964, this groovy new musical, inspired by J.M. Barrie's novel Peter Pan and Wendy, celebrates a heart-warming story of fun, friendship, and youth culture through a 60's mash up of rock 'n' roll, soul and pop.

Driving whilst using a mobile

New research confirms the London Metropolitan area (which includes Havering) is the 10th worst area in the UK for driving while using a mobile phone according to data analysed from a series of Freedom of Information requests and Government sources. It is illegal to use a hand-held mobile phone device whilst driving in the UK and carries a fine of £200 and six points on your licence and is often the cause of many accidents. No phone call or text message is more important than the safety of you and others.

BOOK REVIEW: Dear Nobody - Berlie Doherty

Dear Nobody contains the fictional letters of a pregnant teenager to her unborn baby. She shares her personal thoughts and feelings in a sensitive and touching way.

This book is solely written in the first person, which helps the reader to strongly connect with the teenager as she delivers powerful insights into her life. I was taken on a rollercoaster of emotions by the teenager pouring out her heartfelt feelings. This made me feel like I was in the story, experiencing a mirror image of the highs and lows.

Dear Nobody is part of the Penguin Originals Collection which confronts big issues and deals with difficult truths. The book's author, Berlie Doherty, won a Carnegie medal, a British literary award that recognises an outstanding book for children or young adults.

This novel is extremely moving and portrays what it might feel like

to go through a teen pregnancy. I would highly recommend it to any teenager who loves heart-wrenching, emotional stories.

Local Elections 2022

Back in 2018 the Resident Association Councillors in Harold Wood decided to separate away from all of the other Residents' Associations in Havering under the name the Harold Wood North Havering Residents Group.

In 2019 the HRA was established and a decision was taken for a team to be set up in Harold Wood that would be prepared to work with all of the Residents' Associations in Havering. We were that team and have over the last few months helped residents that have had issues and problems to the best of our ability. The team will continue to support you over the next four years, and we would like to say a huge thank you to those that had the confidence in us to vote for us on 5th May 2022.

Your emails

We have received an email from a resident to thank a local tradesman that advertises through the Bulletin. They received same day service, and no charge because the problem was identified to be caused by a neighbouring property. Really good to see such honesty exists and that we have great tradesmen working within our ward - once again this demonstrates what a great area we live in.

Speeding update

I joined PCSO Joanne Greateorex and PC Ed Zoltan on 6 May for a speed check operation along St Mary's Lane. This was undertaken between 9am and 10am in the section between Garbutt Road and the British Legion Club. Speeds for 138 cars were taken with an average speed of 27mph. However there were 4 vehicles recorded at speeds between 37 and 40mph, all of whom will be sent warning letters. Of these, 2 cars were stopped by PC Zoltan and drivers spoken to. During the operation a number of residents commented they were pleased to see speed checks being undertaken and wanted to see more of them. Speed checks are undertaken as

and when officer resources allow. Speed checks remain a police ward panel priority.

Charlie Price has reluctantly inherited a struggling shoe business from his dad, which he's desperate to save. He unexpectedly bumps into a larger than life drag queen Lola, who's looking for some sturdy stilettos. They think they've nothing in common, but as the unlikely pair ruffle a few feathers, designing some fabulous footwear for the factory floor, perhaps they do...

Jesus Rises on the Green

We catch up with Jesus for coffee in the Moulin in Hornchurch!

If you saw the magnificent performance of The Passion on the Green at Queen's you'll know we mean Shane Mathew who played the part of Jesus so convincingly. Shane was first involved in the play in 2015 as a soldier, and was 'blown away' by the experience. Shane being Jesus started in 2018 when the director, Kevin Walsh, came into Romford Bible bookshop where Shane works, and knew he would be the best Jesus. Shane said 'no', but a little later, Freddy Sayer (who had the

original vision for the play on the Green) felt led, one Sunday, to Kings Heart church, then upon seeing Shane, he realised why he was there and the ensuing conversation was confirmation for Shane. They started work in 2020, were interrupted by COVID, but after all this time and preparation Shane absolutely loved the result.

Shane says that after deciding to do it, the pressure came. His main concern was that the play should go well, it's a huge opportunity as the play is performed every five years. Shane wanted as many people as possible to experience the impact of Jesus' death and resurrection. He worked very hard to remember his lines, and he did!

The Good News (the basis of the word 'Gospel') of Easter was shared with over 3,000 people. Shane is intent to spread the word and feed excitement for the next performance, albeit in five years. This has included front cover - where he joked about posing (almost) naked! - and a centre spread in the Romford Recorder.

People who know Shane were amazed that this shy person they know was so confident and competent playing Jesus. He would love to play the part again if he was wanted. He may be able one more time, but after that may be too old. At 34, Shane is

currently similar in age to Jesus at the crucifixion.

Shane has been overwhelmed by a huge number of stories of people with and without a faith affected by the play, making all investment of effort, money and time worthwhile. There is a substantial cost to the performance so look out for fund raising activities in the coming months and years, and by all means be part of the action!

Twittering Tyler!

Our own Councillor John Tyler has recently started up a Twitter page, with news of some of the things happening in Cranham ward and his own personal take on local politics and occasionally, the wider world. He is also happy to receive messages from residents via his account **@CllrTyler**..

Your Safety

THINGS TO KNOW – A campaign was launched in 2016 called 'Ask Angela' which would help you in pubs/clubs. The phrase 'Ask for Angela' being used was to indicate the need for help or assistance. For example if a customer felt that they were in danger and needed help, they can approach staff behind the bar and 'Ask for Angela'. Staff should then take reasonable steps to safeguard them. This campaign has been rolled out across the country.

THINGS TO DO – When walking home late at night, stay in well-lit and busy areas, change direction if you feel someone might be following. Tell someone your location and what time you will be home. **Driving home late at night** - Check your mirrors frequently,

park in a well-lit area and maybe stay on the phone to someone until you are home. **Clubs/pubs** – Be vigilant, trust your instincts, if uncomfortable in a situation... 'Ask for Angela'.

If you know what's around... You'll stay **SAFE** and **SOUND**!

Weekly planning list on our websites

Just a reminder that every week Havering Council publishes a list of planning applications received within the previous seven days. Since it was highlighted to local councillors earlier in the year that the Council often only sends notice of applications to a very limited number of nearby premises, we have been publishing a link to the list on our website each week - ucra.co.uk.

Damage to grass verges/pavements

We have all noticed an increase in work on properties in the area. The improvements, in the main, are well received, however this has also brought about damage to grass verges and pavements as builders and/or delivery vehicles drive up onto these areas. If you notice this, please contact the Council providing as many details as possible, together with a photograph displaying time and date, with the vehicle contact numbers. Please go to the Havering website The London Borough of Havering for further assistance.
