UPMINSTER & CRANHAM RESIDENTS' ASSOCIATION**MAY ELECTIONS**

In preparing for the May elections, we will be presenting details of the key members of the Residents Association in this and future editions of the Bulletin. The first parts of this are set out below.

**Councillor John Tyler – Cranham Ward**

A local resident for nearly thirty years, I have represented the Upminster and Cranham Residents' Association (UCRA) as a Cranham Ward Councillor since 2018. Having had no previous involvement in

politics, I stood for election, as I felt that our area was often neglected by the council and wanted to help change this.

As a former Police Officer, I have used my experience of partnership work with various councils across north east London, to stand up for our area, in what has become an increasingly difficult time for the borough financially. This has included pushing for better roads, pavements and cleaning of our streets, as well as improvements to our parks and open spaces (I am a member of the Friends of Hall Lane Playing Fields).

I have also supported residents in objecting to a number of inappropriate planning applications, such as a major application for an electricity storage facility on land near Acacia Gardens, where I produced a letter, which I delivered to all homes in several streets, informing residents of the application and how they could submit comments to the Local Planning Authority (LPA). This led to the application being rejected by the LPA. In addition, I regularly assist residents with individual matters, such as issues with housing and parking, and often liaise with the council when people have struggled to obtain a suitable response.

I consider myself to be a down-to-earth Councillor, regularly walking several miles around Cranham Ward, looking at issues that have been highlighted to me by residents and almost always finding new ones on my travels. Since 2019, I have been running the UCRA

website, ucra.co.uk, regularly updating it with useful information on council business and a wide range of local community matters, often well before it has a chance to go in The Bulletin. I also co-ordinate distribution of the Bulletin across Cranham Ward and deliver several rounds myself.

I am not a member of the current HRA Administration, and my independence has allowed me to continue to highlight where I think improvements can be made to how our council is run. An example of this was putting forward a budget amendment in 2025, to improve some services, such as street cleaning, without adversely affecting council finances. I work locally, and am married with two children, the younger of whom still goes to a local secondary school

**Introducing Michael Fisher**

I have lived in Upminster for twenty years and work as a licensed London taxi driver, with previous experience in the insurance and fitness industries. My children attended Coopers and Hall

Mead schools, giving me a strong connection to local families and education.

I serve on the Executive Committee of the Upminster and Cranham Residents Association and am Chair of the Friends of Clockhouse Gardens, working with local residents to protect and improve this treasured green space. I have also previously been a school governor, Scout Leader at St Lawrence's and involved in Upminster rugby club.

I am focused on contributing to practical improvements in Upminster and Cranham while also listening to and reflecting the views of local residents.

John Parker

We noted in last month's Bulletin that our former President and Executive Secretary John Parker had sadly passed away. John and his wife originally lived in Cranham from 1963 to 1973 and then moved to their present home in Sunnyside Gardens. John and Mary were married for 63 years.

John originally worked in the Stock Exchange, then for 25 years running the charity "Wireless for the Bedridden". John's dedication to our community as our Executive Secretary for many years was rewarded when the UCRA Executive asked John to become our President and we regularly used his home for our Executive meetings. For me, my life on Havering Council started in John's front room when I was chosen to stand as a Residents' Councillor in 1977 for Cranham. John provided huge support to me following my election..

John for many years was Chairman of the Governing Body at Corbets Tey School in Harwood Hall Lane, being very keen to promote the excellent work of the school. Every home has benefited from the work John put into our area for which we give our sincere thanks. Our condolences to Mary, Claire and David, his daughter and son and to his grandchildren.

the regular works, the Council and Marlborough, who are the Council's contractors for highways and street lighting, has joined forces to pick up on the extra little jobs that need doing in and around the bigger works. The Found it, Fix It initiative, will see roads maintenance teams picking up on those other jobs that come alongside or are noticed when the main improvement works are being carried out - this includes fixing broken slabs and kerbs, painting road bollards, repairing potholes, patching works, repainting road lines and fixing signs plus clearing gullies that have become blocked in between regular inspections. Officers will be in electric environmentally-friendly branded vehicles to inspect issues that have been picked up and then deploy the work to be carried out as soon as possible. Under the Where We Live campaign, the aim is that the initiative will help towards keeping the borough safer and cleaner plus keep everyone moving. Residents will be encouraged to give feedback when they have spotted these additional works being done

where they live - this will be possible by scanning a QR code on a leaflet or reporting your views directly online at <https://marlboroughhighways.co.uk/contact-us/feedback/>

Havering Finance Budget Update

Just before Christmas, the Government announced its financial settlement for Havering for the next three years. The settlement includes an increase to the Council's 'core grant' of just under £38 million, which also includes funding for the requirement to collect food waste. However, it falls far short of addressing the significant financial challenges the Borough faces, following years of historic underfunding. For example, since 2010 Havering's core grant has dropped dramatically from around £100 million to £40 million. This is all whilst our population has grown and aged considerably, with Havering experiencing the fourth fastest growing children's population nationally since the 2011 census. We have made cuts across the Council to preserve essential services like adult social care and children's services. Unless there are radical changes as to how social care and children services

are funded by the Government, local councils including Havering will continue to have difficulties balancing their budgets. Council Finance Officers are working on next year's Budget, based on the Government's settlement, and a further update will be provided in future editions of the Bulletin.

Cllr CHRIS WILKINS
Upminster Ward

Petition delivered to 10 Downing Street

In response to Government underfunding, Havering Councillors delivered a petition to 10 Downing Street on 18 December, demanding fairer funding for the Borough. The petition, which gathered thousands of signatures, is a clear demand from residents that Havering deserves a funding settlement that truly meets its needs and rapidly changing population. We hope the petition will make a difference, and we will continue to do everything we can

to ensure Havering can deliver the vital local services we all count on.

Cllr CHRIS WILKINS
Upminster Ward

Green Belt - Grey Area?

Havering's Green Belt is one of the key features of the area, providing green aspects, open spaces and an important sense of connection with the natural world on our doorstep. The Upminster & Cranham Resident's Association has always taken a strong line in seeking to protect the Green Belt from inappropriate development, and to ensure that a sound test is applied to any proposals that are brought forward. This normally means that very special circumstances have to be demonstrated. However, due to the Government's changes to Planning Policy, many locations within the Green Belt can now be considered previously developed, the so called Grey Belt, and different, less onerous tests can be applied.

I know that local residents will be extremely disappointed in discovering that many sites in

our designated Green Belt could now be up for grabs by developers wherever the broader Grey Belt tests are met. This is in direct conflict with the established London and Local Plans, which have been rendered outdated by the Government's push to deliver Housing.

Havering is currently revising its Local Plan, and is reviewing the impact of the Grey Belt criteria, and this revision cannot come soon enough. It should provide some clarity and controls over which sites can be brought forward for housing and other development under the revised National PPF, but the re-designation of some Green Belt land to Grey Belt is inevitable. Residents Association Councillors are pushing hard for completion of a revised Local Plan to remove these uncertainties.

appeared to be happening for several days. I took this up with the Highways Team and found that this related to a collapsed drain cover, down to be replaced by the Council's contractor. Following this, the cover was replaced and the controls were removed the next day.

There can be good reasons for delays to emergency repairs, including the need to source parts and materials, but with the Gallows Corner closure, such works need to be completed as soon as possible. Your Residents Association Councillors are always happy to follow up on such matters.

Cllr OSCAR FORD

A plea re litter

One of the regular issues we have in Cranham Ward, is littering in our main shopping areas and the surrounding roads. Despite street bins being available and many emptied on a daily basis, a small number of people seem to think it is OK to do this. I recently found a small bag of rubbish hung over railings, while I was out doing ward work. It took almost no time

for me to pick it up and put it in the bin a few metres away.

I would make a plea to people who drop litter, to think about what they are causing. A phrase that I have often heard is 'Neglect breeds contempt'. As well as being selfish to everyone else, it is sending out a signal that our area is not worth bothering about. For every piece of litter that is left on the ground, others may see it, think that no-one cares, and start doing the same.

I would like to thank the surprising number of people who actively litter pick as they go around the area. Unlike many places, we live in an area where people still take pride. Let's all make sure that we play our part.

Brain Injury Unit Application St. Mary's Lane (P0054.25) Appeal

I recently attended the Planning Appeal hearing for this application. Refused twice previously on appeal, as it did not meet the Very Special Circumstances test, this third appeal points towards the changes to Government Planning Policy on Grey Belt development. Whilst the Local Plan designation remains Green Belt, the applicants are able to rely on recent case law to demonstrate that this should be treated as a Grey Belt development. Under that policy, they only have to demonstrate sustainability, that the Green Belt's function is not undermined, and there is an unmet need for the development.

It is for the Government appointed Planning Inspector to make the determination, but this is an early test for Havering of the implications of the revised

planning framework. I expressed my concerns to the Inspector regarding the loss of local planning controls and public representation that this change has brought about.

Planning application at former Old White Horse pub in North Ockendon

A planning application that may be of interest, was made shortly after the January edition of the Bulletin went to print, for the site of the former Old White Horse Public House, Ockendon Road, North Ockendon (opposite the junction with Fen Lane).

The application is for 'Outline application with all matters reserved for the conversion of existing public house to two residential units and construction of seven new three-bedroom dwelling houses'. To view details of the application visit [havering](http://havering.gov.uk).

Local planning

When I served on Havering Council as one of your Residents' Association councillors, I received a huge number of calls and emails on Planning Applications. Your Association view in detail the weekly lists of Planning Applications sent out by the Council to try to ensure these pose no problems for our community. We have written before that the new government are trying to fulfil their target of 1.5 million new homes by 2029 ie the lifetime of this Parliament. However, as time marches on,

it is looking that they will miss their target. With this in mind the government are pushing ahead with their "Planning and Infrastructure Bill" which they hope will remove local obstacles to building houses.

I have serious concerns as I feel that local democracy will be curbed since the bill gives the government powers to block committees of locally elected councillors from deciding most planning applications. I read in the national press that trained local planning officers will decide schemes of up to 49 homes under current proposals. Council Officers already have delegated powers. Should they be extended - no thanks... Our Residents' Association Councillors know their community and take residents' views seriously.

The Council took several years to produce a "Local Plan". As mentioned above we take an active interest in safeguarding our community. It is no secret that there have been widespread reports of a shortage of Planning Officers. Will this also scupper the government's plans?

As I get more details on the progress of the possible

legislation, I will report further.

RON OWER

Planning permissions

Further to my article on the Government's proposals where they are trying to speed up house building, it was interesting to see in the national press shortly before Christmas that "Planning permissions for new homes fell by almost a third to the lowest level in over 15 years". In fact, I read that up to the 14th December 203,900 homes were built across the country in 2025.

To reach the figure that the Government has pledged of 1.5 million new dwellings before the next General Election, an average of 300,000 each year! I intend to keep a close eye on this and keep you in the loop.

Festival this year, over 1400 votes were counted so that is a lot of visitors! We know that for many the festival starts off their Christmas festivities. For others it is a time to come into the quietness of the church and admire the beauty, hard work and originality of so many local organisations and schools who take part.

The votes have been counted and the winning tree was No 15 by the French Group - Le Petite Prince (the one with a flying aeroplane around the top!) In second place was No 9 by the students of Wynne's School of Dance - 'It's no 'small' wonder that we love a thesaurus!' (Mr Men and Little Miss theme) and in third place No 11 - 1st Upminster Guides - 'It's a bugs life!' (with the black spider on the top).

Thank you also so much for your very generous donations which this year raised over £5000. This will be split between First Step (a charity based in Hornchurch who support children and families with Special Needs) and children's hospices - Haven House and Little Havens.

Thank you again for your support. We look forward to the CTF 2026!

Thank you from Havering Rotary Club

Thank you to the good people of Upminster and Cranham for their generous support of our Christmas float. Father Christmas brought joy to the children and raised the sum of just over £11,000, which will be donated to local charities and good causes. Thank you all for your generous support.

Congratulations Hornchurch FC

Queen's once troubled maternity department now rated good

The maternity services at Queen's Hospital have hopefully put their troubled past behind them and thanks to extra midwives, doctors and an improving culture and have been rated good overall by the Care Quality Commission (CQC) - previously they required improvement.

The improvements the CQC inspectors saw during their visit in August included more midwives and medical staff in our triage area - the department is one of a very small number of units with a dedicated consultant in obstetric triage; 24-hour 'flow' coordinators to reduce delays; and innovative use of theatres amid rising demand for caesarean sections (C-sections).

The hospital has invested heavily in additional midwives and medical staff (including over 38 whole time equivalent posts) and has recruited 14 consultants since 2021. There are now no senior doctor vacancies in obstetrics and gynaecology and in two years, the midwife vacancy rate has decreased from 16% to 4%.

There has also been a 44% reduction in the number of stillbirths over the last year thanks to offering more consistency in the midwife or team looking after women from our more deprived areas; improved support for vulnerable women; and better use of interpreters.

In their report the inspectors wrote that "the service made sure there were enough qualified, skilled and experienced staff and they worked together to provide safe care that met women's individual needs."

Upgrading the Tithe Barn

The recently restored Tithe Barn in Upminster has received a Highly Commended award at the Wood Awards 2025 in the Restoration and Reuse category.

It was on a shortlist of 20 from over 200 entries and amongst other things, was praised for restoring the barn, "using traditional materials and techniques to secure its legacy for future generations." The Highly Commended award in the

Restoration and Reuse category, recognised that the '...project has brought new life to a medieval timber-framed barn while preserving its unique character and historical value.'

The barn, in Hall Lane, was taken off the Heritage At Risk register earlier this year, following extensive restoration works, which saw full re-thatching, plus structural timber and brickwork repairs to the building. Funding for the repairs saw the Council contributing £142,645 along with a grant of £650,000 from National Highways via the Lower Thames Crossing scheme and an additional grant of £97,664 awarded by Historic England.

To see further information on the 2025 Wood Awards visit woodawards.com/archive/winners-2025/.

Congratulations once again to all those involved in this wonderful restoration project.

Havering Astronomical Society

Adult group

Wednesday 18 February, 7.15 for 7.30pm.

Dr Emma Curtis-Lake, University of Hertfordshire, will give a talk about her work on the JADES Survey (JWST Advanced Deep Extragalactic Survey), concerning the detection of early galaxies.

Young Astronomers (aged 8-16)

Meetings are normally on the first Thursday of the month (7-8pm). Please note that January's meeting will be on Thursday 8 January, and February's will be on 5 February.

These events are a mix of space news, talks, activities, and observing when possible. Please contact young.astronomers@havaastro.co.uk for further

details.

Our meetings are held at Thames Chase Forest Centre, Pike Lane, Upminster. If you are interested in joining the society, or have any queries, please email enquiries@havaastro.co.uk or see our website www.havaastro.co.uk.

Upminster Lymphoma and Blood Cancer Support Group

We have been a blood cancer support group for about 12 years and in that time have been able to help people through the difficult times of coping with a blood cancer diagnosis. If you or anyone you know have been diagnosed with a blood cancer, then why not come and join us at one of our monthly meetings where you will find the support of people going through a similar journey as yourself. We meet monthly at 1.30 on a Tuesday

afternoon at Upminster Baptist Church in Springfield Gardens. There's time for a chat and a program of interesting speakers. We'd be happy to see you if you just turn up or email one of the team if you would like more information. Carers welcome too. Our next meeting will be held on 24 February.

For more details, please contact Ian.doreen@btinternet.com or Denise.hosking@gmail.com

Diabetes UK-Havering Group

Our next meeting is on Monday 16th February at 8.00pm at the Large Hall, 24 North Street, Hornchurch, RM11 1QX (corner of Westland Avenue, opposite Iceland. As usual there is a £2 entrance fee that covers the cost of hiring the hall and also entitles everyone to a nice cup of tea/coffee. For further details please phone the Group Secretary on **01708 935779**.

Wednesday Afternoon Music at Hornchurch Library

Wed 4th February at 2pm Parade of the Animals - presented by Dawn Cunningham Clayton with a programme that represents a sort of musical Noah's Ark with a selection of animal tunes and songs plus a couple of comical songs by Arthur Askey and Flanders & Swann.

Wed 18th February at 2pm Laughter and Tears - presented by Mike Beaman. Songs about crying and laughing, from Don't Cry for me Argentina to Cry by Johnnie Ray via The Laughing Policeman, Laughter in the Rain by Neil Sedaka and Vesti la giubba where Pavarotti sounds pretty distraught.

All programmes are of recorded music played on high quality audio equipment and take place in the 1st floor main meeting

room, Hornchurch Library, North Street, RM11 1TB commencing at 2pm and finishing by 4pm. Admission £2 per person with interval refreshments available at nominal cost. For further details or to be added to our email list call Stephen Raindle **01708 470670** or email sraindle@aol.com

Ardleigh House - trips and more

**Monday 9th March - ABBA
Chique "LIVE"** ABBA Chique will
be performing their tribute act
to ABBA in the Large Hall here at
Ardleigh House. They look like
ABBA, They sound like ABBA and
they dress like ABBA, so put on
your dancing shoes!

Doors open at 1.00pm. Show
starts at 1.30pm and finishes at
3.30pm. Tickets £18. (All drinks
to be purchased from the bar but
you are welcome to bring your
own nibbles)

**Monday 20th April - Day Trip to
Coventry.** A new place to visit.
Our coach will drop us off right by
the New Cathedral in the centre of
Coventry. Coventry is a large town
with plenty of shops, restaurants
& pubs and there is the Blitz
Museum. This tells the story of the
night of 14 November 1940 when
Coventry was heavily bombed
because it was then the centre of
the British motor industry. Then
there is the story of Lady Godiva
who rode on horseback through
Coventry naked! Why? you will
have to come on the trip to find
out! Price £33.

To book go to our website www.ardleighhouse.org/trips or email:

office@ardleighhouse.org (don't
forget to include your name and
telephone number) or telephone

Ardleigh House also offers many
Leisure activities and we list a few
below:-

Yoga and Chair Yoga - Crafts -
Spanish lessons - Keep Fit - Short
Mat Bowls - Ju Jitsu - Pottery -
Social Club - Pilates - Table Tennis
and much more. Check out our
"What's On" page on our website
for full list of what is happening at
Ardleigh House.

The Havering Concert Orchestra

The Havering Concert Orchestra
(HCO) is the amateur orchestra
which has been serving the
London Borough of Havering
in London and surrounding
areas for over 50 years. The HCO
prides itself as a community
orchestra and exists to
provide opportunities for local
instrumentalists to practise and
develop their musical skills, and
to provide entertainment for
members of the public. We have
adult members of all ages, and
endeavour to make our rehearsals
and concerts friendly and
welcoming occasions.

Whenever possible, the orchestra
works with local soloists; we
have a particular commitment to
offer local young musicians' solo
performance opportunities and
have worked with several past
winners of the Havering Young
Musician of the Year competition.
We continue to welcome new
players, particularly in the string
sections. Rehearsals take place
on Wednesday evenings in North
Street Hall (opposite Iceland),
North Street, Hornchurch,
RM11 1QX at 7.30 - 9.30 pm on
most Wednesdays during school
term time.

The Orchestra is giving another of
its successful Family Concerts at
Upminster's New Windmill Hall
on Sunday afternoon at 3:00 pm
on 22 March 2026. More details
will be provided in the March
Bulletin.

The Proper Blokes Club

Would you or 'your man' like
to get some exercise after
Christmas, or meet some new
guys for a regular, year-round
'walk and talk'? It's good for all
adult men. Team Upminster
meets every Wednesday, 6.30 at
the side entrance of Upminster
Station, for a local one hour
walk. It's welcoming, supportive,
friendship-building, and there's

the opportunity to join other
London groups for extended
walks, have a local group bi-
monthly evening meal, family
games night, or also join Team
Hornchurch (Sundays 9am), or
Team Romford (Mondays 7pm).

Oglethorpe Players Murder Mystery

The Oglethorpe Players are
delighted to confirm that first
performances of their new and
now famous (or infamous)
Murder Mystery Quiz evenings
will be presented at St Matthews
Church Hall, Chelmsford Drive,
RM14 2PH on Friday 6th March
at 8pm & Saturday 7th March at
2:30 and 7:30 pm. The evening
will consist of a intriguing drama/
whodunnit, entitled 'THE AIR
RAID SHELTER INCIDENT', an
exciting East End wartime murder
written and directed by Gerry
Sweeney followed by a quiz for
your tables to compete in.

Tickets prices are being held back
to a very reasonable £8 pp and
profits will go to the church to
assist their worthy causes. Bring
own refreshments. Tables of eight

Developments at Bell Corner - Upminster

As last month's Bulletins were being delivered, we heard from Havering Council that a Planning Application for the former betting office at 4 Bell Corner had been received - reference P 1507.25. This applies for a "change of use of former betting office to a hot food take away with proposed alterations including the installation of a new mechanical ventilation system etc."

Please note the weekly lists of Planning Applications from Havering Council can be viewed on our website.

Priority for pedestrians

Following the article in the January Bulletin, the details of the updated priorities for pedestrians crossing roads are set out primarily in Rule 8 of the Highway Code. This states:- At a

junction. When you are crossing or waiting to cross the road, other traffic should give way. Look out for traffic turning into the road, especially from behind you, and cross at a place where drivers can see you. If you have started crossing and traffic wants to turn into the road, you have priority and they should give way (see Rules H2 and 170)."

Fuller details of the rules for pedestrians are set out in the Highway Code website <https://www.highwaycodeuk.co.uk/>

Damage to City of London in WWII

The London Picture Archive has published a series of over 350 photographs taken of damage to buildings in the City of London during the Second World War. The photos were all taken by two City of London Police Officers, Arthur Cross and Fred Tibbs, who were assigned to record the destruction caused by Luftwaffe bombing from the start of the Blitz until the war ended.

Images include ones of Tower

Bridge and St. Paul's Cathedral, as well as a remarkable picture taken on 11 May 1941, of the upper storeys of a building at 23 Queen Victoria Street succumbing to fire and collapsing forward into the street.

The collection can be viewed for free online via londonpicturearchive.org.uk/ and entering 'cross and tibbs' in the search box.

White line bays

We have mentioned this regularly. Around 40 years ago following requests from residents the Council introduced white line bays, where vehicle owners are able to park partly off the road thus making it easier for other vehicles to pass in the road.

Over the years the number of these has increased. However please note a number of the bays are in "Controlled Parking Zones" where there are yellow lines banning parking as an example 8am to 9.30 am or 8am to 6.30pm etc. In these cases, the parking restrictions also cover the bays in those times. A number of drivers

believe it is safe to park during those times. It is NOT and the Council do issue Penalty Notices. Please pass this message on

Electric Scooters on Havering Roads

We have heard from the local police regarding the issue of anti-social behaviour involving the use of E-scooters on pavements and public roads. As it is illegal to ride an E-scooter on the highway, many have been seized by police officers in the Havering area. For those that are unaware, it is not currently possible to get insurance for privately owned E-scooters. This means it is illegal to use them on the road or in public spaces, such as parks, street pavements, and shopping centres. You can read more information around the use of E-Scooters on <https://www.met.police.uk/advice/advice-and-information/rs/road-safety/advice-escooters/>
